How your policy works

Your Tower House insurance – Landlord's plus cover consists of two documents: this policy wording and your certificate of insurance.

Make sure you read your policy wording and your certificate of insurance so you understand what you're covered for and what your responsibilities are.

This policy wording describes the benefits, exclusions, responsibilities and limits of your cover.

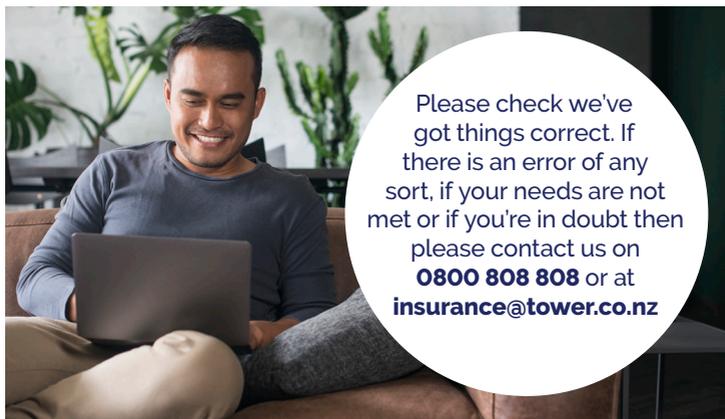

Your certificate of insurance tells you what assets are covered, what level of cover applies and whether any special terms and conditions apply.

We agree to cover you according to the terms outlined in these two documents, as long as you've paid the premium due.

Please check we've got things correct. If there is an error of any sort, if your needs are not met or if you're in doubt then please contact us on 0800 808 808 or at insurance@tower.co.nz.

Words with special meaning

In this policy some words have a special meaning, for example, 'loss'. You can find out what all of those words are and what they mean in the *Glossary on page 36*.

What your house is insured for

Your house is covered for loss.

Loss means sudden and accidental physical loss or sudden and accidental physical damage occurring during the period of insurance in New Zealand.

We've included limits and exclusions to your house cover throughout this policy wording and on your certificate of insurance.

This is an important part of your policy wording. Please read and understand it. If any of this document doesn't make sense, please call us on 0800 808 808 and we'll explain it to you.

You have landlord obligations under this policy

In order for us to provide you with cover, you and any persons in charge of your house with your permission must comply with all of the obligations below. Otherwise we may decline your claim and recover any payment already made.

Before a tenancy:

1. Use reasonable care when choosing your tenants. For all adults living in your house, you must get satisfactory references from their previous landlords. If landlord references are not available, get character references. Keep records of these references and provide them to us when we ask.
2. You and the tenant must complete and sign a tenancy agreement. You and the tenant must also complete a pre-tenancy inspection. This includes documenting in writing and including photographs, if possible, of any existing damage to your house. Be prepared to provide these to us when we ask.

3. Collect:
 - a. at least one week's rent in advance, and
 - b. at least three weeks' rent as a bond and register this with Tenancy Services, or
 - c. any combination of (a) and (b) to a total of four weeks' rent.

During a tenancy:

1. Complete an internal and external inspection of your house at least once every three months. Document in writing and include photographs, if possible, of any new damage or concerns.
2. Monitor rent payments regularly and send written notification to the tenant when rent is 14 days in arrears. You must visit your house to see if the tenant remains in residence.
3. When rent is 28 days in arrears, make application to the Tenancy Tribunal for vacant possession of your house in accordance with the provisions of the Residential Tenancies Act 1986 or any amendment or replacement Act.
4. Ensure you and your house complies at all times with your legal obligations as a landlord.

What your house policy does and does not cover

What we cover

We cover your house, meaning the domestic buildings you own at the situation shown on your certificate of insurance including its:

1. fixtures and fittings permanently attached, plumbed or wired within the domestic buildings
2. fitted floor coverings (including glued, smooth edge or tacked carpet)
3. gates, sealed paths, free standing walls and fences
4. decks, verandas and patios that are permanently constructed

5. sealed driveways required for access to your dwelling or outbuilding
6. fixed water tanks, heating tanks, septic tanks (and their systems) that are permanently plumbed
7. underground and overhead services extending to the public mains that you're legally responsible for
8. other domestic outbuildings such as garages, carports, garden sheds and sleep outs
9. retaining walls essential for the building or positioning of your domestic buildings
10. garden retaining walls up to \$25,000 in total.

Your house also includes the features below if they are permanently installed and they are specified on your certificate of insurance:

1. garden retaining walls over \$25,000
2. special features.

What we do not cover

We do not cover loss or liability for any of the following items.

1. floor coverings not permanently fixed or glued in place
2. drapes and blinds
3. temporary structures
4. unsealed driveways and paths
5. stock fences, yards and pens
6. swimming and spa pools (and their systems) that are designed to be disassembled or picked up and moved
7. garden retaining walls over \$25,000 unless they are specified on your certificate of insurance

We apply an additional excess when your house is left unoccupied

We'll apply an additional excess of \$1,000 in the event of a claim for loss to your house while your house is unoccupied for more than 60 consecutive days.

We do not cover houses with other insurance

This policy does not cover any loss, damage or liability if you're covered for that same loss, damage or liability to any extent under a policy with another insurer. We'll not contribute towards a claim under any other policy with another insurer.

What your house can be used for

Your house is insured as a rental property as recorded on your certificate of insurance as the residency type. If this changes, or if any type of business is run from your house, please contact us to let us know as soon as possible. We may have a different policy that is better suited to your needs.

Your policy includes automatic benefits

Your policy also covers you for the benefits listed below.

The most we'll pay is the maximum amount detailed in each benefit. Unless the benefit expressly says otherwise, the maximum amount is included within the house sum insured and is not in addition to it.

Deliberate damage

We'll pay for deliberate damage caused by your tenants or their guests during the period of insurance to your house.

Limits

We'll pay the reasonable costs up to \$20,000 for each event.

An additional excess of \$500 for each event will apply to your claim.

This benefit does not apply where the benefit *Methamphetamine decontamination on page 17* applies.

Demand surge protection

We may, at our sole discretion, increase your house sum insured if all the following conditions are met:

1. your house has suffered loss covered by this policy
2. that loss was caused by natural disaster, flood or storm that occurred at, or near your house causing widespread loss
3. building costs have increased by a verified statistical percentage because there is a surge in demand for labour and materials as a direct result of that widespread loss
4. this increase is the only reason the actual cost to repair or replace your house is higher than your house sum insured noted on your certificate of insurance.

Limits

The most we'll pay is the lesser of:

1. the actual cost to repair or replace your house
2. your house sum insured noted on your certificate of insurance, plus the verified statistical percentage increase in building costs, up to a maximum of 10% of the house sum insured.

This benefit will not apply if we offered to pay the actual replacement cost but you've chosen to receive a cash payment instead of repairing or replacing your house.

Full replacement for fire

If your house suffers a loss caused by fire we'll settle your house claim with no house sum insured limit.

Limits

We'll, at our option, replace your house, or pay you for the actual replacement cost as those costs are incurred, with a house that is the:

1. square metre area shown on your certificate of insurance, or
2. actual square metre area of your house before the loss

whichever is the lesser.

This benefit does not apply to fires following a natural disaster.

Where this benefit applies, the *Demand surge protection benefit on page 12* does not apply.

Gradual damage to your house

We'll pay for the repair of gradual damage, deterioration, mildew, mould or rot to your house occurring during the period of insurance caused by the leaking, overflowing or discharging of any of a:

1. water supply pipe or hose
2. water disposal pipe or hose
3. water supply tank.

The pipe, hose or tank must:

1. form part of the permanent and internal water reticulation system of the house, and
2. be hidden from view because it is contained within the walls, cupboards, floors, ceiling or roof of your house.

Limits

We'll pay the reasonable costs up to \$2,000 for each event.

This benefit only applies:

1. if the leak, overflow or discharge first occurred during the time that we insure your house, and
2. if you could not have discovered the damage immediately, and the damage was not visible, noticeable or obvious.

We do not cover:

1. the cost of locating and repairing the leak
2. a leak in a shower base, shower recess or shower cubicle
3. gradual damage that occurs if your house is unoccupied for more than 60 consecutive days.

House under minor alteration

We'll cover:

1. your house while it is under minor alteration
2. building materials you own that were specifically purchased for the minor alteration and stored at your house.

Minor alteration is any non-structural renovation or building work to your existing house that does not require a building consent from your local authority.

This benefit is in addition to your house sum insured.

Limits

We'll pay up to \$20,000 for each event.

We'll only cover plumbing or electrical installations if they are carried out and/or approved by a qualified tradesperson.

We do not cover any loss for building, alteration or renovation work that requires or involves any of the following:

1. a building consent
2. lifting or shifting of the house
3. load bearing walls
4. excavation greater than one metre deep
5. piles or foundations
6. structural alterations or repairs including the removal or alteration of the roof or cladding.

Landlord's whiteware and window coverings

We'll pay for loss to your landlord's whiteware and window coverings.

Landlord's whiteware and window coverings are limited to:

1. curtains, drapes, blinds or similar window coverings
2. whiteware or household appliances such as dishwashers, refrigerators and washing machines.

Limit

We'll pay the second-hand value of your landlord's whiteware and window coverings up to \$20,000 for each event.

Landscaping

We'll pay for the replacement of your lawn, flowers, trees, hedges or shrubs if they are damaged when your house suffers loss caused by:

1. fire, or
2. impact from a vehicle

where a claim is accepted by us.

This benefit is paid in addition to your house sum insured.

Limit

We'll pay the reasonable cost up to \$2,000 for each event.

Liability protection

We'll cover you as the owner of your house for your legal liability to others arising from an accident at your house that causes physical property damage during the period of insurance.

We'll pay the reasonable costs and expenses incurred with our approval in defending the alleged legal liability. We'll do this if your liability, if proven, would be covered under this benefit.

This benefit is in addition to your house sum insured.

Limits

You also have cover under this benefit for your legal liability for bodily injury to a person up to \$100,000 for each event.

We'll pay up to \$20,000,000 in total during the period of insurance.

If you have liability cover with us under any other policy, then we'll only pay under one policy for each event.

Loss of rent for damage to your house

We'll pay up to eight months' rent you've lost because your house is uninhabitable due to either:

1. a claim accepted under this policy
2. a claim that is covered under EQCover.

Limits

This benefit only applies if the house is rented to a tenant at the time of the loss.

This benefit does not apply if the house is uninhabitable because of chemical contamination.

We'll stop payments after repairs have been completed or your claim has been paid.

Loss of rent for other reasons

We'll pay for up to eight weeks' rent you've lost because:

1. Your tenant has:
 - a. been lawfully evicted for not paying rent
 - b. vacated the property without giving the required notice
 - c. stopped paying rent legally under their tenancy agreement because they have been prevented from entering your house or because public utilities to your house have failed.
2. Your house is uninhabitable because of deliberate damage caused by your tenants or their guests, that is covered by this policy.

Limits

We'll first deduct all of the following from your claim:

1. any rent paid in advance
2. any bond held by Tenancy Services
3. an additional excess of one week's rent.

This benefit does not apply if the house is uninhabitable because of chemical contamination.

Methamphetamine decontamination

We'll cover your house if contamination damage occurs arising from the manufacture, storage, consumption, use or distribution of methamphetamine.

The damage must be due to:

1. contamination damage that first occurred while your house is insured with us
2. explosion resulting from methamphetamine manufacture during the period of insurance
3. fire as a result of methamphetamine manufacture during the period of insurance.

Limits

If the house has suffered contamination damage we'll pay up to \$30,000 for the cost of repairing it.

If damage has been caused by explosion we'll pay the costs to repair or replace that damage up to the house sum insured.

If damage has been caused by fire we'll pay the costs to repair or replace that damage based on the limits in the benefit *Full replacement for fire on page 13*.

We'll not pay for contamination damage that first occurred while your house was insured with us under a policy that did not contain a benefit for claims caused by methamphetamine.

Before this benefit applies, you must make a formal complaint to the Police about the manufacture, storage, consumption, use or distribution of methamphetamine at your house.

This benefit only applies if the house is rented to a tenant at the time the contamination occurs. You and/or any person responsible for managing your house must comply with the obligations set out in the section *You have landlord obligations under this policy on page 8* before we accept any claim under this benefit.

Once we've paid a claim under this benefit, cover under it ceases until an approved contractor certifies that your house has been satisfactorily remediated to the acceptable levels stated in the New Zealand Standard NZS 8510.

Excess

We apply an additional excess of \$2,000 in the event of a claim under this benefit. This excess amount is recorded in your certificate of insurance.

Natural disaster damage

The premium you pay for this policy includes a levy that is paid to the Earthquake Commission under EQCover. This levy covers your house for natural disaster damage up to a limit set by them. When the Earthquake Commission pays under EQCover, we'll pay for the cost of repairing or replacing loss above this limit.

If parts of your house suffer natural disaster damage and do not come within EQCover, we'll pay for their repair or replacement. This includes any garden retaining walls or special features listed on your certificate of insurance.

Limits

If your house suffers natural disaster damage you must claim for EQCover first.

The most we'll pay is the difference between your cover under EQCover and your sum insured less any applicable excess.

We apply a \$5,000 excess in place of the excess that would otherwise apply for claims for natural disaster damage to any driveway, path, fence, swimming or spa pool.

We do not cover:

1. any amount the Earthquake Commission legally refuses to pay
2. any excess or deduction under EQCover.

No claims bonus

If you're eligible for a no claims bonus, we'll adjust your premium to reflect this.

Your premium may still increase at renewal for other reasons even though you receive a no claims bonus.

One event – one excess

If your house suffers loss and we've accepted your claim, and we accept a claim from the same event for loss to your contents or your domestic vehicle that we also insure, you'll only pay one excess. The excess that you pay will be the higher of those excesses.

You have certain responsibilities

Here is a list of what you, and any person in charge of your house with your permission, must do.

1. You must be honest and fair with us. All your statements made about this policy and any claim must be honest, correct and complete.
2. You must provide us with all relevant information. This means you must tell us everything you know, or could reasonably be expected to know, that may influence our decision to insure you or the terms that we insure you on.
3. You must tell us immediately if any circumstances change or may change while we're insuring your house. This applies when the policy starts, while it is in force and when it renews.

Examples of a change in circumstances or any other information may include:

- a. If your house is no longer going to be a rental property.
- b. If the use or occupation of your house or land changes to include any business use

- c. If any structural alteration or addition is made to your house (aside from minor alterations as described under the benefit *House under minor alteration on page 14*)
- d. If you or any person who may occupy your house is charged with, convicted of, or commits any criminal offence other than traffic offences.

These examples are a guide only. If you're in any doubt, tell us the details, even if we've not asked questions that relate to it.

We may change the terms that we insure you on, or the premium, to reflect the change in circumstances that you've told us about.

We may cancel your policy if what you tell us is in our opinion, a substantial change in risk.

4. You and any person in charge of your house with your permission must take reasonable care to protect and maintain your house and to avoid legal liability.
5. You must pay all premiums in full by the due date. If any premium remains unpaid 28 days following the due date for payment, we may cancel this policy (effective from the first day of the period that the unpaid premium relates).

If you do not comply with your responsibilities under this section *You have certain responsibilities on page 24* we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel your policy we'll give you seven days' notice emailed or posted to your last known address on our records. If we do this, we'll refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. We may also avoid or cancel any other policies you have with us.

If we ask, you'll have to refund any claims payments we've previously paid to you. If we do this, we'll email or post notice of this decision to your last known address on our records. We'll refund your entire premium paid less any claims already paid.

How to make a claim

It is important that you tell us as soon as you become aware of any circumstances that may result in a claim.

Call us on 0800 808 808 or go to tower.co.nz/claims to make a claim online.

You have certain responsibilities at claim time

Events leading to a claim can be stressful. Your personal safety is paramount, so make sure you and anyone else involved are safe from harm and if necessary, call the emergency services.

Here is a list of what you and any person in charge of your house with your permission must do at claim time.

Before you lodge your claim

You must:

1. Inform the Police if it appears that there has been arson, theft, burglary or malicious damage and provide details of the complaint to us. For example, the acknowledgement number.
2. Tell us as soon as possible:
 - a. if it is likely that you'll make a claim
 - b. if you or anyone else who may have cover under this policy is charged with any offence that resulted in loss of property or caused bodily injury to someone else
 - c. about any claim made against you by another person, with full particulars and all legal documents served on you.
3. Take all reasonable steps to prevent further loss or liability.
4. Get our permission before you arrange for any repairs or replacement, or incur any expense for any claim.
5. If we ask you to complete a claim form, return that claim form to us within 30 days.

Once you've lodged your claim

You must:

6. Let us inspect the loss and deal with any salvage reasonably. No property may be abandoned to us.
7. Provide proof of ownership or purchase (such as receipts, bank statements, credit card vouchers, warranties, guarantees, photos, videos, and so on) for any property you claim for.
8. Let us complete all necessary documents and authorities for any claims under this policy as your authorised agent.
9. Comply with all our requests about your claim by providing full cooperation, information and assistance.
10. Not discuss a claim made on you by another person with them; instead, refer them to us.
11. Pay any applicable excess and any applicable additional excess.
12. Let us instruct a solicitor of our choice to conduct your defence. Follow the recommendations of that solicitor about the conduct or continuation of your defence.
13. Let us talk with that solicitor when necessary about the details of the case and the conduct or continuation of your defence.

After we've accepted your claim

You must:

14. Cooperate fully in any action we take to recover money from other parties involved in your claim.
15. Let us take over for our own benefit and settle any legal right of recovery you may have.
16. Tell us if any person is ordered to make reparation to you for any loss or cost that was part of the claim. Reimburse us for that payment as soon as you receive any reparation.
17. Tell us if any lost or stolen property that was part of the claim is found or recovered. Hand it over to us or, at our option, refund any money paid by us if we request it.

At any time:

18. Do not start repairing or replacing your house or incur any costs (such as surveyors, engineers, demolition or debris removal costs), without our prior approval.

If you do not comply with your responsibilities under this section *You have certain responsibilities at claim time on page 26* we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel your policy we'll give you seven days' notice emailed or posted to your last known address on our records. If we do this, we'll refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. We may also avoid or cancel any other policies you have with us.

If we ask, you'll have to refund any claims payments we've previously paid to you. If we do this we'll email or post notice of this decision to your last known address on our records. We'll refund your entire premium paid less any claims already paid.

How we'll look after your claim

When you contact us to make a claim we'll:

1. process your claim within the terms of the policy
2. explain how the claims process works
3. explain what we need to go ahead with your claim
4. if required, arrange for an assessor, investigator or other specialist to inspect the loss and explain the procedure that will be followed
5. keep you updated on your claim's progress
6. give you the information you need on how we'll settle your claim
7. if we decline your claim, we'll clearly explain why.

What excesses you may need to pay

The excess is the amount of any claim that you're responsible for. The excess applies to each event resulting in a claim.

Where loss has been caused on multiple occasions or events an excess will apply to each occasion or event.

Unless the benefit being claimed says it is excess free you'll need to pay your excess. Your excess and any additional excesses that may apply are detailed on your certificate of insurance and in this policy wording.

Where a benefit specifies an additional excess, that additional excess will apply above any other excess on your certificate of insurance.

How we'll settle your claim

The maximum per event that we'll settle your claim for is the least of:

1. the actual cost to repair your house, or
2. the actual cost to replace the actual square metre area of your house before the loss, or the square metre area shown on your certificate of insurance (whichever is the lesser), or
3. the house sum insured as shown on your certificate of insurance, unless the benefit *Full replacement for fire on page 13* applies.

We'll settle your claim for loss following the process set out below.

Economic repair

If we decide it is economic to repair the loss to your house that is covered under this policy, we'll, at our option, choose one of the following:

1. repair the loss to your house, or
2. pay you for the actual repair cost, as those costs are incurred by you, to repair the loss to your house, or
3. pay you in cash the estimated repair cost to repair the loss to your house.

Alternatively, you may elect to receive in cash the current replacement value of the repairs to your house.

After a partial loss to your house that is covered by this policy, your sum insured will reduce by the amount that it would take to repair that loss. We'll restore the full sum insured once the house has been fully repaired. Cover will not be restored if the house suffers a total loss.

Uneconomic repair

If we decide it is uneconomic to repair the loss to your house that is covered under this policy the following apply:

1. We'll, at our option, choose one of the following:
 - a. replace your house at the situation, or
 - b. pay you for the actual replacement cost, as those costs are incurred by you, to replace your house at the situation, or
 - c. pay you in cash the estimated replacement cost to replace your house at the situation.
2. If it is not legally or practically possible to replace your house at the situation, (including for example; because of local authority laws, or the circumstances surrounding the land) then we'll, at your option, either:
 - a. pay you for the actual replacement cost, as those costs are incurred by you, to replace your house at an alternative site in New Zealand, or
 - b. pay for you to buy another comparable house in New Zealand (excluding the value of the land)
provided the cost is not greater than the estimated replacement cost of replacing your house at the situation.
3. If we choose to pay you for the actual replacement cost, as those costs are incurred by you, you may choose one of the following options instead:
 - a. you may be paid for the actual replacement cost, as those costs are incurred by you, to replace your house at another site in New Zealand (excluding demolition and removal of debris costs unless actually incurred). This is provided the cost is not more than the estimated replacement cost of replacing your house at the situation

- b. you may be paid for the actual cost of buying another comparable house in New Zealand, including necessary legal and associated costs (excluding the value of the land). This is provided the cost is not more than the estimated replacement cost of replacing your house at the situation (excluding demolition and removal of debris costs unless actually incurred)
 - c. you may receive a cash payment based on the current replacement value of your house, as assessed by us, excluding demolition and removal of debris costs unless we agree otherwise.
4. If you choose to sell your house and land without our prior agreement, your settlement options will be limited and you may choose from one of the following options instead:
 - a. we'll pay you for the actual cost of buying another comparable house in New Zealand including necessary legal and associated costs (excluding the value of the land)
 - b. you may receive a cash payment based on the current replacement value of your house excluding demolition and removal of debris costs unless we agree otherwise.

In all cases:

1. We'll pay, where necessary:
 - a. the reasonable extra cost of complying with local authority laws and regulations when repairing or replacing the damaged parts of your house. This is provided those damaged parts complied with local authority laws and regulations at the time they were built or altered
 - b. the reasonable architects', engineers' and surveyors' fees necessary for the repair or replacement provided they are authorised by us before they are incurred
 - c. the reasonable cost of demolition and the removal of debris including debris that directly caused the loss, and including the contents unless specifically excluded.
2. Where we've paid the demolition and removal of debris costs, we retain any salvaged property.

3. If you pay your premium by instalments and your house is uneconomic to repair you must pay the rest of the annual premium before we settle your claim.
4. If we've been notified of a financial interest in your house we're obliged to make any cash payment to the interested party (for example, a mortgagee) up to the amount of its interest. This payment counts towards meeting our obligations under this policy.
5. We'll use building materials and construction methods commonly used at the time of the repair or replacement.
6. We will not:
 - a. pay any extra cost of repairing or replacing any part of your house caused by that part not having a legally required building consent when it was built, or that part being built contrary to the building consent issued
 - b. pay for repairing or replacing any part of your house that has not suffered loss
 - c. pay for any neighbouring property's share where you jointly own property such as retaining walls, fences, gates or driveways
 - d. pay the cost of repair or replacement beyond what is reasonable, practical or comparable with the original when built or renovated
 - e. repair or replace your house exactly to its previous condition.

Assignment

Where you've made a claim for the repair or replacement of your house, you must not transfer any of your rights, obligations, title, interests or benefits under this policy without our prior written consent. If you do not obtain our prior written consent, any transfer is invalid at law.

4. to allow for a material change in your (or your property's) risk profile

5. to allow for a material change in the risk profile of a group of similar policy holders (or similar insured property) that will not be commercially sustainable for us under current policy terms.

If you do not agree to the alterations to the terms of your policy, you can cancel it (effective from the date of the proposed alteration). You can do this by contacting us online or by email or phone before the effective date of the proposed alterations. If you cancel on this basis, we'll refund your unused premium.
