6. Glossary

Some words have special meanings on page 36.

As part of our commitment to you, this document has been awarded the WriteMark. This means it meets an internationally recognised plain language standard.

How your policy works

Your Tower Motorbike cover consists of two documents: this policy wording and your certificate of insurance.

Make sure you read your policy wording and your certificate of insurance so you understand what you're covered for and what your responsibilities are.

This policy wording describes the benefits, exclusions, responsibilities and limits of your cover.

Your certificate of insurance tells you what assets are covered, what level of cover applies and whether any special terms and conditions apply.

We agree to cover you according to the terms outlined in these two documents, as long as you've paid the premium due.

Please check we've got things correct. If there is an error of any sort, if your needs are not met or if you're in doubt then please contact us on 0800 808 808 or at insurance@tower.co.nz.

Words with special meaning

In this policy some words have a special meaning, for example, 'loss'. You can find out what all of those words are and what they mean in the *Glossary* on page 36.

Please check we've got things correct. If there is an error of any sort, if your needs are not met or if you're in doubt then please contact us on **0800 808 808** or at **insurance@tower.co.nz**

Section 2: Liability protection

All benefits

What your cover includes

What we include

We cover the motorbike shown on your certificate of insurance, including:

1. any of the following supplied by the manufacturer:
 - a. attached equipment and options
 - b. tools and breakdown equipment
2. accessories as described in the optional benefit – *Accessories* on page 17.

What we do not include

Your motorbike does not include:

1. any modifications from the maker's standard specifications for the model and year of manufacture unless we've agreed to this and it is noted on your certificate of insurance
2. any cover for tyres, unless the loss was malicious or it occurs at the same time as other loss to your motorbike and we've accepted your claim
3. personal effects and other contents left on the motorbike. These will need to be covered under a separate contents policy.

What your motorbike can be used for

Your motorbike is covered only while it is being used on road for social, domestic or private purposes. This includes being used for community or charity work or getting to and from work in New Zealand.

Who can ride your motorbike

We provide cover for anyone riding your motorbike with your permission.

You must tell us if anyone becomes a new regular rider of your motorbike, or if any person covered by this policy is charged with a criminal or traffic offence. Refer to the section – *You have certain responsibilities* on page 25 for full details.

We do not cover you if you have other insurance

This policy does not cover any loss or liability if you're covered for that same loss or liability to any extent under a policy with another insurer. We'll not contribute towards a claim under any other policy with another insurer.

Section 1: Damage to your motorbike

If you've chosen Comprehensive cover, we cover loss that happens to your motorbike.

If you've chosen Third party fire and theft cover, we cover loss that happens to your motorbike caused by fire, theft, or illegal conversion, (including attempted theft or conversion).

This is an important part of your policy wording. Please read and understand it. If any of this document doesn't make sense, please call us on 0800 808 808 and we'll explain it to you.

For both types of cover, loss means sudden and accidental physical loss or sudden and accidental physical damage occurring during the period of insurance in New Zealand.

You have other benefits under Section 1

Your policy also covers you for the benefits listed below unless the benefit does not apply to the cover you've chosen. We have detailed what benefits apply to each cover in the section above – *What your motorbike is insured for* on page 9.

The most we'll pay is the maximum amount detailed in each benefit. Unless the benefit expressly says otherwise, the maximum amount is per event and included within your motorbike's market value sum insured and not in addition to it.

Accidents caused by an uninsured third party

If you've chosen Third party fire and theft cover (shown on your certificate of insurance), we'll pay for repairs to your motorbike if it is damaged in an accident, we've accepted your claim and:

1. you've identified the party at fault (name, phone number and registration number of that other party's vehicle), and
2. we're satisfied that the other party was more than 50% at fault, and
3. their vehicle was uninsured.

Limits

The maximum we'll pay under this benefit is the least of:

1. the cost of the repairs,
2. the market value, or
3. \$4,000

You're only covered under this benefit if you have Third party fire and theft cover.

Claims that were not your fault

You'll keep your no claims bonus and you won't pay an excess if you've been involved in an accident during the period of insurance, and:

1. you've identified the party at fault (name, phone number and registration number of that other party's vehicle), and
2. we're satisfied that the other party was more than 50% at fault.

Fatal injury to you

We'll pay a lump sum to your estate, or your husband, wife or de facto partner's estate, if either one of you dies from injury following a loss to your motorbike and we've accepted your claim.

We pay this benefit in addition to your motorbike market value.

Limits

We'll pay \$5,000 for each person up to a maximum of \$10,000 during the period of insurance.

Death must occur within three calendar months of the accident.

Keys and locks lost or stolen

We'll pay to replace your motorbike remote or keys and replace or re-code the lock if during the period of insurance:

1. they're lost
2. they're stolen

3. you've reasonable grounds to believe they have been illegally duplicated without your permission
4. you've reasonable grounds to believe that the combination number or electronic key codes may have become known to someone else without your permission.

Limits

We'll pay reasonable costs up to \$1,000.

Your first claim during the period of insurance will be excess-free and your no claims bonus will be unaffected.

Any additional claims within the same period of insurance will mean you pay your excess and your no claims bonus may be affected.

Natural disaster damage

We'll pay for natural disaster damage to your motorbike during the period of insurance.

New vehicle replacement

We'll replace your motorbike with a new motorbike of the same make, model and variant, (for example a Suzuki GN125) subject to current local availability if, as a result of a loss covered by this policy, your motorbike becomes a total loss.

Limits

You must have owned the motorbike from new.

You must have insured the motorbike with us from new.

The total loss must occur within two years of you purchasing the motorbike.

If a new replacement motorbike is not available we'll pay the last listed retail price for the motorbike.

No claims bonus

If you're eligible for a no claims bonus, we'll adjust your premium to reflect this.

Your premium may still increase at renewal for other reasons even though you receive a no claims bonus.

One event – one excess

If your motorbike suffers loss and we've accepted your claim, and we accept a claim from the same event for loss to another domestic vehicle, house or contents that we also insure, you'll only have to pay one excess. The excess that you pay will be the higher of those excesses.

Repair guarantee

If we accept your claim and repairs are carried out by one of our recommended repairers, we'll provide you with a guarantee on those repairs for as long as you own the motorbike.

Replacement and additional motorbikes

If we insure your motorbike, we'll cover any motorbike you purchase:

1. to replace your motorbike insured under this policy
2. in addition to your motorbike insured under this policy
3. so long as you paid \$25,000 or less for it.

We'll insure the replacement or additional motorbike from the date you purchase it under the same terms and conditions as we insure your existing motorbike.

Limits

We'll cover that motorbike for the least of:

1. what you paid for it
2. its market value
3. \$25,000.

We'll cover that motorbike under this benefit for 14 days from the date of purchase.

We will not cover you under this benefit if you paid more than \$25,000 for your motorbike. Please call us to arrange insurance before buying the motorbike.

Riding gear replacement

If your motorbike suffers loss and we've accepted your claim, we'll pay for replacing the damaged helmet and riding gear being worn at the time of that loss. This also includes your pillion passenger's helmet and riding gear.

We pay this benefit in addition to your motorbike market value.

Limits

For Comprehensive cover we'll pay the lesser of:

1. its replacement value
2. \$1,000.

For Third party fire and theft cover we'll pay the lesser of:

1. its market value
2. \$750.

Road clearing costs

If we've accepted your claim after a loss to your motorbike, we'll pay for removing debris that you must legally remove from any road or parking area.

We pay this benefit in addition to your motorbike market value.

Limits

For Comprehensive cover we'll pay reasonable costs up to \$1,000.

For Third party fire and theft cover we'll pay reasonable costs up to \$750.

Stolen from locked garage

If your motorbike has been stolen from a locked garage or secure parking building, your claim will be excess-free and you'll keep your no claims bonus.

Tower recommended repairer

We'll arrange for one of our recommended repairers to repair your motorbike if we decide your motorbike is economic to repair and we've accepted your claim.

If you choose to go to a repairer who is not part of our recommended repairer network, we may pay you an amount equal to the reasonable cost of repairs, as assessed by us.

Towing and temporary storage costs

We'll pay for removing your motorbike to the nearest repairer or place of safety if it is unable to be driven after a loss covered under this policy.

We'll also pay the temporary storage costs for your damaged motorbike after a loss covered under this policy.

We pay this benefit in addition to your motorbike market value.

Limit

We'll pay reasonable costs.

Transport costs

We'll reimburse travel and accommodation costs to complete your journey or return home following a loss to your motorbike and we've accepted your claim.

This benefit also extends to the pillion passenger travelling with you.

We'll also pay to return your motorbike home after it has been repaired or recovered, or for you to travel to collect it from the repairer.

We pay this benefit in addition to your motorbike market value.

Limit

For Comprehensive cover we'll pay reasonable costs up to \$500.

For Third party fire and theft cover we'll pay reasonable costs up to \$250.

Section 1: Optional benefit

Cover is provided under this optional benefit when it is shown as applying on your certificate of insurance.

Accessories

If you've chosen this optional benefit, we'll cover loss to your accessories that are installed in or on your motorbike so long as we have accepted your claim for the loss to your motorbike.

We also cover loss to your accessories if that loss occurs while they are stored at home.

Limit

We'll pay the least of:

1. the repair cost
2. the current value of the item listed
3. your chosen accessories sum insured listed on your certificate of insurance.

Rental vehicle hire for loss of use

We'll pay for you to rent and insure a motorbike or vehicle after a loss to your motorbike that is covered under this policy.

Limits

We'll pay reasonable costs for either:

1. the costs to rent and insure a similar motorbike
2. the costs of an alternative mode of transport such as a vehicle, taxi or public transport.

No rental charges will be paid:

1. if your motorbike was primarily used for weekend riding
2. if your motorbike remains in a legally driveable condition after the loss but before repair
3. after your motorbike is recovered in a legally driveable condition
4. after repairs have been completed
5. after we've paid your claim.

For Comprehensive cover we'll pay up to \$1,000.

For Third party fire and theft cover we'll pay up to \$750.

Section 2: Liability protection

This is your third party cover

We'll cover you for your legal liability for claims made against you for accidental physical property damage occurring during the period of insurance in New Zealand involving:

You also have cover under this benefit for:

You have certain responsibilities

Here is a list of what you and any person in charge of your motorbike with your permission must do.

1. You must be honest and fair with us. All your statements about this policy and any claim must be honest, correct and complete.
2. You must keep your motorbike well-maintained and in roadworthy condition. This means the motorbike must be maintained to a level where it would pass a warrant of fitness test from someone, other than you, who has the authority to do the test.
3. You must tell us immediately if anyone:
 - a. starts to use your motorbike for any business purpose, including delivering food
 - b. modifies your motorbike to change its performance
 - c. becomes a new regular rider of your motorbike.
4. You must tell us immediately if you or any other person covered by this policy:
 - a. commits, is charged with, or is convicted of a criminal offence
 - b. commits, is charged with, or is convicted of a driving offence (but not parking offences)
 - c. has their driving licence suspended or cancelled, or has a special condition added to their licence
 - d. has a claim declined or policy avoided
 - e. has insurance refused or cancelled by an insurance company, or has any special terms added to a policy.

We may change the terms that we insure you on, or the premium, to reflect the change in circumstances that you've told us about.

We may cancel your policy if what you tell us is in our opinion, a substantial change in risk.

5. You and any person in charge of your motorbike with your permission must:
 - a. take reasonable care to protect and maintain your motorbike and to avoid legal liability, and
 - b. ensure that your motorbike is securely locked when unattended.
6. You must pay all premiums in full by the due date. If any premium remains unpaid 28 days following the due date, we may cancel this policy (effective from the first day of the period that the unpaid premium relates).

If you do not comply with your responsibilities under this section, *You have certain responsibilities on page 25*, we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel your policy we'll give you seven days' notice emailed or posted to your last known address on our records. If we do this, we'll refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. We may also avoid or cancel any other policies you have with us.

If we ask, you'll have to refund any claims payments we have previously paid to you. If we do this we'll email or post notice of this decision to your last known address on our records. We'll refund your entire premium paid less any claims already paid.

How to make a claim

It is important that you tell us as soon as you become aware of any circumstances that may result in a claim.

Call us on 0800 808 808 or go to tower.co.nz/claims to make a claim online.

You have certain responsibilities at claim time

Events leading to a claim can be stressful. Your personal safety is paramount, so make sure you and anyone else involved are safe from harm and if necessary, call the emergency services.

Here's a list of what you and any person in charge of your motorbike with your permission must do at claim time.

Before you lodge your claim

You must:

1. Inform the Police if it appears that there has been arson, theft, burglary or malicious damage and provide details of the complaint to us. For example, the acknowledgement number.
2. Tell us as soon as possible:
 - a. if it is likely that you'll make a claim
 - b. if you or anyone else who may have cover under this policy is charged with any offence that resulted in loss of property, or caused bodily injury to someone else
 - c. about any claim made against you by another person, with full particulars and all legal documents served on you.
3. Take all reasonable steps to prevent further loss or liability.
4. Get our permission before you arrange for any repairs or replacement, or incur any expense for any claim.
5. If we ask you to complete a claim form, return that claim form to us within 30 days.

Once you've lodged your claim

You must:

6. Let us inspect the damaged motorbike and deal reasonably with any salvage. No property may be abandoned to us.
7. Let us complete all necessary documents and authorities for any claims under this policy as your authorised agent.
8. Provide proof of purchase and/or proof of ownership of all items being claimed for.
9. Comply with all our requests about your claim by providing full cooperation, information and assistance.
10. Not discuss a claim made on you by another person with them. Instead, refer them to us.
11. Pay any applicable excess and any additional excess.
12. Let us instruct a solicitor of our choice to conduct your defence. You must follow the recommendations of that solicitor about the conduct or continuation of your defence.
13. Let us talk with that solicitor when necessary about the details of the case and the conduct or continuation of your defence.

After we've accepted your claim

You must:

14. Make sure that any repairs are carried out promptly.
15. Cooperate fully in any action we take to recover money from other parties involved in your claim.
16. Let us take over for our own benefit and settle any legal right of recovery you may have.
17. Tell us if any person is ordered to make reparation to you for any loss or cost that was part of the claim. Reimburse us for that payment as soon as you receive any reparation.
18. Tell us if any lost or stolen property that was part of the claim is found or recovered. Hand it over to us or, at our option, refund any money paid by us if we request it.

If you do not comply with your responsibilities under this section, *You have certain responsibilities at claim time* on page 27, we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel your policy we'll give you seven days' notice emailed or posted to your last known address on our records. If we do this, we'll refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. We may also avoid or cancel any other policies you have with us.

If we ask, you'll have to refund any claims payments we have previously paid to you. If we do this we'll email or post notice of this decision to your last known address on our records. We'll refund your entire premium paid less any claims already paid.

How we'll look after your claim

When you contact us to make a claim we'll:

1. process your claim within the terms of the policy
2. explain how the claims process works
3. explain what we need to go ahead with your claim
4. if required, arrange for an assessor, investigator or other specialist to inspect the loss and explain the procedure that will be followed
5. keep you updated on your claim's progress
6. give you all the information you need on how we'll settle your claim
7. if we decline your claim we'll clearly explain why.

What excesses you may need to pay

The excess is the amount of any claim that you're responsible for. The excess applies to each event that results in a claim. Where loss has been caused on multiple occasions or events, an excess will apply for each occasion or event.

Unless the benefit being claimed says it's excess-free you'll need to pay your excess.

Additional excesses apply when the motorbike is being driven or in the control of:

1. an inexperienced driver
2. a driver who holds an International drivers licence unless that licence was issued in a country identified by the NZTA as being eligible to apply for an exemption from a practical test. These countries are detailed on their website
3. when an additional underwriting excess has been applied.

Your excess and any additional excesses that apply are detailed on your certificate of insurance.

How we'll settle your claim

We'll settle your claim for loss following the process set out below.

For repairs

If we decide to repair your motorbike, we have the option to:

1. arrange the repair
2. pay you an amount equal to the reasonable cost of repairs as assessed by us.

The most we'll pay under a Comprehensive cover is the lesser of:

1. the cost of repairs
2. the market value at the time of the loss.

We'll also pay the current value for loss to any insured accessories and modifications up to the maximum amount shown for these on your certificate of insurance.

If you have a Third party fire and theft cover, the most we'll pay is the least of:

1. the cost of repairs
2. the market value at the time of loss
3. \$4,000 in the case of an uninsured third party accident claim.

We will also pay the current value for loss to any insured accessories up to the maximum amount shown on your certificate of insurance.

If your motorbike is repairable, and you've decided to go to a repairer who is not part of our recommended repairer network, then we may choose to pay you an amount equal to the reasonable cost of repairs as assessed by us.

In the case of partial loss to your motorbike we'll automatically reinstate full cover after we meet any claim and repairs have been completed.

For a total loss

If we decide your motorbike is a total loss:

1. we'll pay you the market value for your motorbike at the time of loss. We'll pay the current value for loss to any insured accessories up to the maximum amount shown for these on your certificate of insurance.
2. we'll replace your motorbike if it fits within the terms described in the automatic benefit – ***New vehicle replacement*** on page 13 otherwise we'll pay you the market value under 1. above
3. your motorbike, including its accessories, will become our property
4. we'll automatically cancel your policy.

In all cases:

We'll not pay more than the maximum amounts detailed in the benefits for your chosen cover in this policy wording and on your certificate of insurance.

We'll pay an interested party (finance company and so on) if we have been notified of their interest in your motorbike. Their receipt will discharge us to the extent of our payment.

If your motorbike includes any set of accessories, we'll firstly try to match the undamaged item or items and, if that is not possible, we'll pay for the nearest equivalent set available.

We have the option to use new, recycled or reconditioned parts in any repair.

Replacement parts

We'll pay for any part or accessory not currently available in New Zealand up to the lesser of:

1. the last known price list in New Zealand when the part or accessory was available
2. the part's or accessory's closest New Zealand equivalent.

We'll pay you the equivalent cost to us for a part or accessory if you ask us not to replace it.

Limits

Your motorbike is not covered for:

1. freight and other costs to import parts or accessories from outside New Zealand
2. any costs due to the inability to match existing paint
3. costs to replace any part or accessory that has not suffered loss.
