** The 2021 balance represents the purchase of ANZ's rights and obligations relating to servicing a portfolio of insurance underwritten by Tower. Please refer to note 6.1 for more information. The comparative 2020 balance reflects the net cashflow associated with the purchase of Youi NZ Pty Ltd's insurance portfolio.

Notes to the interim financial statements

1 Overview

This section provides information that is helpful to an overall understanding of the interim financial statements and the areas of critical accounting judgements and estimates included in the interim financial statements. It also includes a summary of Tower's operating segments.

1.1 About this Report

a. Entities reporting

The interim financial statements presented are those of Tower Limited and all of its subsidiaries (the "Group"). The address of the Group's registered office is 45 Queen Street, Auckland, New Zealand.

b. Statutory base

Tower Limited (the "Parent") is a company incorporated in New Zealand under the Companies Act 1993 and listed on the NZX Main Board and the Australian Securities Exchange. The Company is a reporting entity under Part 7 of the Financial Markets Conduct Act 2013.

c. Basis of preparation

The interim financial statements of the Group have been prepared in accordance with New Zealand Generally Accepted Accounting Practice (NZ GAAP), and for the purposes of NZ GAAP, the Group is a for-profit entity. They comply with NZ IAS 34 *Interim Financial Reporting* and IAS 34 *Interim Financial Reporting* and consequently include a lower level of disclosure than is required for annual financial statements.

The interim financial statements should be read in conjunction with the annual financial statements for the year ended 30 September 2020, which have been prepared in accordance with International Financial Reporting Standards and New Zealand Equivalents to International Financial Reporting Standards.

The interim financial statements for the six months ended 31 March 2021 are unaudited.

d. Accounting policies

The principal accounting policies adopted in the preparation of the interim financial statements are consistent with those of the audited annual financial statements for the year ended 30 September 2020.

1.2 Critical accounting judgments and estimates

In preparing these interim financial statements management is required to make estimates and related assumptions about the future. The estimates and related assumptions are based on experience and other factors that are considered to be reasonable, and are reviewed on an ongoing basis. Revisions to the estimates are recognised in the period in which they are revised, or future periods if relevant. The key areas in which estimates and related assumptions are applied are as follows:

Net outstanding claims	Note 2.4, Annual Report (30 September 2020)
Intangible assets and goodwill	Note 6.2, Annual Report (30 September 2020)
Deferred taxation	Note 7.3, Annual Report (30 September 2020)

1.3 Segmental reporting

a. Operating segments

Tower operates in two geographical segments, New Zealand and the Pacific region. New Zealand comprises the general insurance business underwritten in New Zealand. Pacific Islands comprises the general insurance business underwritten in the Pacific by Tower subsidiaries and branch operations. Other contains balances relating to Tower Services Limited (management services entity), and also includes intercompany eliminations and group diversification benefit. Tower does not derive revenue from any individual or entity that represents 10% or more of total revenue.

2 Underwriting activities

This section provides information on Tower's underwriting activities.

Tower collects premiums from customers in exchange for providing insurance coverage. These premiums are recognised as revenue when they are earned by Tower, with a liability for unearned premiums recognised on the balance sheet.

When customers suffer a loss that is covered by their policy, Tower will make payments to customers or suppliers, which it recognises as claims expenses. To ensure that Tower's obligations to customers are properly recorded within the financial statements, Tower recognises provisions for outstanding claims.

To manage Tower's risk and optimise its returns, Tower reinsures some of its exposure with reinsurance companies. The premiums paid to reinsurers are recognised as an expense, while recoveries from reinsurers are recognised as revenue.

2.1 Net claims expense

*Tower received \$52.9m (excluding GST) from the settlement agreement with EQC regarding the recovery of claims costs related to the 2010 and 2011 Christchurch Earthquakes during the period. Tower fully reimbursed amounts payable to reinsurers of \$10.7m and settled other outstanding costs during the period. Tower's net proceeds from this settlement were \$42.1m.

3 Investments

Tower invests funds collected as premiums and provided by shareholders to ensure it can meet its obligations to pay claims and expenses and to generate a return to support its profitability. Tower has a low risk tolerance and therefore the majority of its investments are in investment grade supranational and bank bonds.

3.1 Investment income

<i>\$ thousands</i>	31-Mar-21	31-Mar-20

Tower sold its investment in the unlisted reinsurance company Pacific Re in November 2020. It was sold at its carrying value as at 30 September 2020.

4 Risk Management

Tower is exposed to multiple risks as it works to set things right for its customers and their communities whilst maximising returns for its shareholders. Everyone across the organisation is responsible for ensuring that Tower's risks are managed and controlled on a daily basis.

4.1 Capital management risk

Regulatory solvency capital

*Tower acquired and assumed ANZ's rights and obligations relating to servicing a portfolio of insurance underwritten by Tower. Tower provided insurance for ANZ and National Bank customers between 1990 and 2009 and continues to cover over 23,000 people under those policies. On completion of the acquisition of the rights and obligations these customers will be insured directly by Tower under a Tower branded policy. The amount capitalised includes the price paid for acquiring the portfolio outright and associated acquisition costs. The asset will be amortised over a 5 to 10 year period, with the pattern of amortisation being aligned with expected net cashflow benefits over this period.

7.2 Contingent liabilities

Claims and disputes

The Group is occasionally subject to claims and disputes as a commercial outcome of conducting insurance business. Provisions are recorded for these claims or disputes when it is probable that an outflow of resources will be required to settle any obligations. Best estimates are included within claims reserves for any litigation that has arisen in the usual course of business.

Reinsurance programme

During preparation for the FY22 reinsurance programme, a review of the FY21 programme identified that a number of policies were omitted in the original dataset provided to the reinsurers. This was caused by the process of migration of policies to Tower's new platform. Tower is working with its reinsurance advisor and reinsurers to understand the consequences of the data omission, and the impact, if any, on the total FY21 reinsurance expense. At this stage, as any financial impact is both uncertain and cannot be reliably measured, no provision has been made at this time.

The Group has no other contingent liabilities.

7.3 Subsequent events

An interim dividend of 2.5 cents per share was declared on 26 May 2021, with the dividend being payable on 14 July 2021. The anticipated cash impact of the interim dividend is approximately \$10.5m.

7.4 Capital commitments

As at 31 March 2021, Tower has entered into a new lease commitment for its Auckland premises. The lease will be for a term of 10 years with commencement expected towards the end of the 2021 financial year. Upon commencement, Tower estimates that it will recognise an initial right-of-use asset of approximately \$21.6m and an initial lease liability of approximately \$30.6m with the difference primarily representing lease incentives.

7.5 Change in comparatives

Amalgamation Update

Tower amalgamated its corporate structure on 30 September 2020 and no longer has specific corporate entities. The statement of comprehensive income has been updated to reflect this change. "Corporate and other expenses" has been renamed "other expenses" and corporate expenses have been moved to underwriting expenses (total \$1.6m). "Corporate and other income" has been renamed "other income". All income that was previously defined as corporate remains. In addition in note 1.3 the segment "Other" has been updated to remove Corporate entities.

Independent auditor's review report

To the shareholders of Tower Limited

Report on the consolidated interim financial statements

Our conclusion

We have reviewed the consolidated interim financial statements of Tower Limited (the Company) and its subsidiaries (the Group), which comprise the consolidated balance sheet as at 31 March 2021, and the consolidated statement of comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half year ended on that date, and selected explanatory notes.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying consolidated interim financial statements of the Group do not present fairly, in all material respects, the consolidated balance sheet of the Group as at 31 March 2021, and its financial performance and cash flows for the half year then ended, in accordance with International Accounting Standard 34 *Interim Financial Reporting* (IAS 34) and New Zealand Equivalent to International Accounting Standard 34 *Interim Financial Reporting* (NZ IAS 34).

Basis for conclusion

We conducted our review in accordance with the New Zealand Standard on Review Engagements 2410 (Revised) *Review of Financial Statements Performed by the Independent Auditor of the Entity* (NZ SRE 2410 (Revised)). Our responsibility is further described in the *Auditor's responsibility for the review of the financial statements* section of our report.

We are independent of the Group in accordance with the relevant ethical requirements in New Zealand relating to the audit of the annual financial statements, and we have fulfilled our other ethical responsibilities in accordance with these ethical requirements. In addition to our role as auditor, our firm carries out other services for the Group in the areas of assurance over solvency and regulatory insurance returns and agreed upon procedures in respect of voting at the Annual Shareholders Meeting. In addition, certain partners and employees of our firm may deal with the Group on normal terms within the ordinary course of trading activities of the Group. These matters have not impaired our independence.

Directors' responsibility for the financial statements

The Directors are responsible on behalf of the Company for the preparation and fair presentation of these consolidated interim financial statements in accordance with IAS 34 and NZ IAS 34 and for such internal control as the Directors determine is necessary to enable the preparation and fair presentation of consolidated interim financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial statements

Our responsibility is to express a conclusion on the consolidated interim financial statements based on our review. NZ SRE 2410 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the consolidated interim financial statements, taken as a whole, are not prepared in all material respects, in accordance with IAS 34 and NZ IAS 34. A review of consolidated interim financial statements in accordance with NZ SRE 2410 (Revised) is a limited assurance engagement. We perform procedures, primarily consisting of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing and International Standards on Auditing (New Zealand) and consequently does not enable us to obtain assurance that we might identify in an audit. Accordingly, we do not express an audit opinion on these consolidated interim financial statements.

Who we report to

This report is made solely to the Company's Shareholders, as a body. Our review work has been undertaken so that we might state to the Company's Shareholders those matters which we are required to state to them in our review report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Shareholders, as a body, for our review procedures, for this report, or for the conclusion we have formed.

The engagement partner on the review resulting in this independent auditor's review report is Karen Shires.
