### 1. Start here.

This is the basics of your policy.

### 2. These are your benefits.

What you are covered for on page 11

### 3. Responsibilities and exclusions.

What you must do, and what isn't covered on page 13

### 4. Making a claim.

Information about making your claim with us on page 19

### 5. Other stuff.

This is important too, like what to do if you have a concern on page 24

### 6. Glossary.

Some words have special meanings on page 27

As part of our commitment to you, this document meets the WriteMark Plain Language Standard. The WriteMark is an internationally recognised plain language quality mark.

# How your policy works

Your *Tower Car Insurance – Third party cover* consists of two documents: this policy wording and the certificate of insurance. Make sure you read your policy wording and the certificate of insurance so you understand the cover we're providing and what your obligations are.

This policy wording describes the benefits, exclusions, responsibilities and limits of your cover.

Your certificate of insurance tells you what assets are covered, what level of cover applies and whether any special terms and conditions apply.

We agree to cover you according to the terms outlined in these two documents, as long as you have paid the premium due.

Please check we've got things correct. If there is an error of any sort, if your needs are not met or if you are in doubt then please contact us on 0800 808 808 or at [insurance@tower.co.nz](mailto:insurance@tower.co.nz).

## Words with special meaning

In this policy some words have a special meaning. You can find out what those words are and what they mean in the [Glossary on page 27](#).

In the policy wording are the benefits, exclusions, responsibilities and limits of your cover.

The certificate of insurance tells you what assets are covered, what level of cover applies and whether any special terms and conditions apply.

## What your cover includes

### We cover your car

We cover the car shown in the certificate of insurance, including any of the following supplied by the manufacturer:

1. attached equipment and options
2. tools and breakdown equipment.

### We do not cover modifications, tyres or contents

Your car does not include:

1. any modifications from the maker's standard specifications for the model and year of manufacture unless we have agreed to this and it is noted on your certificate of insurance. A conversion of your car to run on CNG, LPG or BioGas will be included in this policy so long as the conversion complies with the appropriate New Zealand Standard and has a current Certificate of Fitness
2. any cover for tyres, unless the loss was malicious or it occurs at the same time as other loss to your car and we have accepted your claim
3. personal effects and other contents left in the car. These will need to be covered under a separate contents policy
4. any business or professional tools or items left in the car.

### What your car can be used for

Your car is covered only while it is being used for social, domestic or private purposes, including being used for community or charity work or getting to and from work in New Zealand.

### Who can drive your car

We provide cover for anyone driving your car with your permission.

You must tell us if anyone becomes a new regular driver of your car, or if any regular driver is charged with a criminal or traffic offence. Refer to the section – [What your responsibilities are on page 16](#) for full details.

## What your car is insured for

### Third party cover

We will cover you for your legal liability for claims made against you for accidental physical property damage occurring during the period of insurance in New Zealand involving:

1. your car
2. any trailer or caravan attached to your car
3. any car not owned by you that you are using with the owner's permission.

This cover will not apply if you are otherwise insured for your legal liability.

We will cover any other person using your car with your permission so long as that person:

1. complies with the terms and conditions of this policy
2. was not insured for legal liability under another policy.

You also have cover under this benefit for:

1. your liability arising from bodily injury occurring in New Zealand (including for reparation)
2. defence costs if you are charged with manslaughter or dangerous driving causing death from an accident where you are the driver and we have accepted your claim
3. all costs and expenses incurred by you with our approval in defending claims under third party cover
4. your share of any marine loss costs for which you become liable because of deliberate loss or damage in time of danger to prevent the loss of a ship and/or cargo while your car is being carried by that ship between ports in New Zealand.

### Limits

Third party cover is for up to \$25,000,000 in total during the period of insurance.

Amounts claimed for reparation, bodily injury, defence costs and marine losses are included within the third party cover limit, not in addition to it.

Liability arising from bodily injury to a person (including reparation) is for up to \$1,000,000 in total during the period of insurance.

Defence costs if charged with manslaughter or dangerous driving are covered for up to \$5,000 in total during the period of insurance.

If you have third party cover with us for your car under any other policy, our maximum combined liability under all policies is \$25,000,000 during the period of insurance.

### **We do not cover cars with other insurance**

This policy does not cover any loss or liability if you are covered for that same loss or liability to any extent under a policy with another insurer. We will not contribute towards a claim under any other policy with another insurer.

## Your automatic benefits

### Accidents caused by an uninsured third party

We will pay for repairs to your car if it is damaged in an accident, we have accepted your claim and:

1. you have identified the party at fault (that is, name, address, phone number, make, model, registered number of that other party's car)
2. we are satisfied that the other party was more than 50% at fault, and
3. their car was uninsured.

#### Limit

The maximum we will pay under this benefit is the lesser of:

1. the market value, and
2. \$4,000.

### We provide no claims benefits

---

### No claims bonus

You will receive a no claims bonus if you have not had any claim with us or with your previous insurer during the last insurance policy year.

Your no claims bonus may step down on renewal following any claim. This means your premium may increase because your no claims bonus status has reduced. However, your no claims bonus may step up again at the next renewal if you make no further claims. This means your premium may reduce because your no claims bonus status has increased.

Other rating factors may mean that, although you receive a no claims bonus, your premium may still increase.

## Claims that were not your fault

You will keep your no claims bonus and you won't pay an excess if you have been involved in an accident during the period of insurance, and:

1. you have identified the party at fault (that is, name, address, phone number, make, model, registered number of that other party's car), and
2. we are satisfied that the other party was more than 50% at fault.

## Optional benefits

Cover is provided under these optional benefits when they are shown as applying on your certificate of insurance.

### RoadWise®

If you have purchased this optional benefit you have access to the RoadWise programme. This programme does not form part of this policy. See our website for the terms and conditions of this programme.

## **What your responsibilities are**

Here is a list of what you and any person in charge of your car with your permission must do.

1. You must be honest and fair with us. All your statements made about this policy and any claim must be honest, correct and complete. If they are not, we have no liability under this policy or for any claim.

2. You must provide us with all relevant information. This means you must tell us everything you know, or could reasonably be expected to know, that may influence our decision to insure you or the terms on which we insure you.
3. You must keep your car well maintained and in roadworthy condition. This means that the car must be maintained to a level where it would pass a warrant of fitness test by someone else who is authorised to conduct that test.
4. You must tell us if any circumstances change or may change while we are insuring your car. This applies when the policy starts, while it is in force and when it renews.

Examples of a change in circumstances or any other information may include if:

- a. the use of your car changes to include any business use
- b. any modifications or changes are made to your car that are different from the manufacturer's standard specifications
- c. anyone becomes a new regular driver of your car
- d. you or anyone who drives your car is charged with, convicted of or commits any criminal offence or traffic offence, other than parking infringements.

These examples are a guide only. If you are in any doubt, tell us the details, even if we have not asked questions that relate to it.

We may change the terms on which we insure you, or the premium, to reflect the change in circumstances that you have told us about.

We may cancel your policy by giving you at least seven days' notice if what you tell us is, in our opinion, a substantial change in risk.

5. You and any person in charge of your car with your permission must:
  - a. take reasonable care to protect and maintain your car and to avoid legal liability, and
  - b. ensure that your car is securely locked when unattended.

Otherwise we may decline your claim and/or recover any payment already made.

6. You must pay all premiums in full by the due date. If any premium remains unpaid 28 days following the due date, we may cancel this policy (effective from the first day of the period to which the unpaid premium relates).
7. If you do not comply with your obligations under this section *What your responsibilities are on page 16* and *What your responsibilities are at claim time on page 19*, we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel we will give you seven days' notice emailed or posted to your last known address on our records. If we do this, we will refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. If we ask, you will have to refund any claims payments we have previously paid to you. If we do this we will email or post notice of this decision to your last known address on our records. We will refund your entire premium paid less any claims already paid.

## How to make a claim

It is important that you tell us as soon as you become aware of any circumstances that may result in a claim.

Call us on 0800 808 808 or go to [tower.co.nz/claims](https://tower.co.nz/claims) to fill in an online claim form.

### What your responsibilities are at claim time

Events leading to a claim can be stressful. Your personal safety is paramount, so make sure you and anyone else involved are safe from harm and if necessary, call the emergency services.

Here is a list of what you and any person in charge of your car with your permission must do at claim time.

#### Before you lodge your claim

You must:

1. Inform the Police if it appears that there has been arson, theft, burglary or malicious damage.
2. Tell us as soon as possible:
  - a. if it is likely that you will make a claim
  - b. if you or anyone else who may have cover under this policy is charged with any offence which resulted in loss of property, or caused bodily injury to someone else
  - c. about any claim made against you by another person, with full particulars and all legal documents served on you.
3. Take all reasonable steps to prevent further loss or liability
4. Get our permission before you arrange for any repairs or replacement, or incur any expense for any claim.
5. If we ask you to complete a claim form, return that claim form to us within 30 days.

#### Once you've lodged your claim

You must:

1. Let us inspect the damaged car and deal reasonably with any salvage. No property may be abandoned to us.

2. Let us complete all necessary documents and authorities for any claims under this policy as your authorised agent.
3. Provide proof of purchase and/or proof of ownership of all items being claimed for.
4. Comply with all our requests about your claim by providing full cooperation, information and assistance.
5. Not discuss a claim made on you by another person with them. Instead, refer them to us.
6. Pay any applicable excess and any additional excess, and where you discover damage caused on multiple occasions then pay an excess for each occasion or event that occurred.
7. Let us instruct a solicitor of our choice to conduct your defence. You must follow the recommendations of that solicitor about the conduct or continuation of your defence.
8. Let us talk with that solicitor when necessary about the details of the case and the conduct or continuation of your defence.

### **After we've accepted your claim**

You must:

1. Make sure that any repairs are carried out promptly.
2. Cooperate fully in any action we take to recover money from other parties involved in your claim.
3. Let us take over for our own benefit and settle any legal right of recovery you may have.
4. Tell us if any person is ordered to make reparation to you for any loss or cost that was part of the claim. Reimburse us for that payment as soon as you receive any reparation.
5. Tell us if any lost or stolen property that was part of the claim is found or recovered. Hand it over to us or, at our option, refund any money paid by us if we request it.

Otherwise we may decline your claim and/or recover any payment already made.

## How we will look after your claim

When you contact us to make a claim we will:

1. process your claim within the terms of the policy
2. explain how the claims process works
3. explain what we need to go ahead with your claim
4. if required, arrange for an assessor, investigator or other specialist to inspect the loss and explain the procedure that will be followed
5. keep you updated on your claim's progress
6. give you all the information you need on how we will settle your claim
7. if we decline your claim we will clearly explain why.

## What excesses you may need to pay

The excess is the amount of any claim that you are responsible for. The excess applies to each event that results in a claim. Where loss has been caused on multiple occasions an excess will apply for each occasion or event.

Where an automatic benefit or optional benefit specifies an additional excess, that additional excess will apply above any other excess in your certificate of insurance.

Unless the benefit being claimed says it's excess-free you will need to pay your excess.

Additional excesses apply when the car is being driven or in the control of:

1. an inexperienced driver
2. a driver who holds an International drivers licence unless that licence was issued in a country identified by the NZTA as being eligible to apply for an exemption from a practical test. These countries are detailed on their website
3. when an additional underwriting excess has been applied.

Your excess and any additional excesses that apply are detailed on your certificate of insurance.

## How we will settle your claim for damage to your car

We will settle your claim for loss following the process set out below.

If we decide to repair your car, we have the option to:

1. arrange the repair, or
2. pay you an amount equal to the reasonable cost of repairs as assessed by us.

The most we will pay is the least of the cost of repairs, the market value at the time of the loss and \$4,000.

If your car is repairable, and you have decided to go to a repairer who is not part of our recommended repairer network, then we may choose Option 2 above.

In the case of partial loss to your car we will automatically reinstate your car sum insured to its pre-loss cover value after we meet any claim and repairs have been completed.

If we decide your car is a total loss:

1. we will pay you the market value for your car at the time of the loss, limited to \$4,000 in the case of an uninsured third party accident, (including the current value for any accessories and modifications)
2. your car including its accessories and modifications will become our property
3. your policy will be automatically cancelled and no refund of premium will be given. If you pay your premium by instalments you must pay the rest of the annual premium before we settle your claim. However, if you insure your replacement car with us, we will credit the rest of the annual premium to your new policy.

### In all cases:

We will not pay more than the maximum amounts detailed for all benefits in this policy wording or in your certificate of insurance.

We will pay an interested party (finance company and so on) if we have been notified of their interest in your car. Their receipt will discharge us to the extent of our payment.

If your car includes any set of accessories, we will firstly try to match the undamaged item or items and, if that is not possible, we will replace the set with the nearest equivalent set available.

We have the option to use new, recycled or reconditioned parts in any repair.

## **Replacement parts**

We will pay for any part or accessory not currently available in New Zealand up to the lesser of:

1. the last known price list in New Zealand when the part or accessory was available, or
2. the part's or accessory's closest New Zealand equivalent.

We will pay you the equivalent cost to us for a part or accessory if you ask us not to replace it.

## **Limits**

Your car is not covered for:

1. freight and other costs to import parts or accessories from outside New Zealand
2. any costs due to the inability to match existing paint, or
3. costs to replace any part or accessory that has not suffered loss.

## Cancelling this policy

You can cancel this policy by notifying us either by telephone or in writing. We will refund 80% of your unused premium (unless the refund is less than \$25 in which case no refund will apply).

We may cancel or avoid this policy in accordance with the express rights of cancellation and/or avoidance set out in the headings:

1. *What your responsibilities are on page 16*
2. *What your responsibilities are at claim time on page 19*
3. *Making changes to this policy on page 24.*

If you make a claim that is false or fraudulent in any way, or make any false statement to us, we may retrospectively avoid your policy. We may also avoid any other policies you have with us or cancel them immediately from the date of the fraudulent act. If we do this, we will refund your unused premium.

### Free look period

If you are not completely happy with your policy, you can cancel it within 15 days of the start date so long as you have not made any claims.

We will refund any premiums you paid and we will both regard this policy as never having started.

## Making changes to this policy

You can have this policy altered as long as we agree in writing to that alteration before it takes effect.

We can alter the terms or cancel this policy by giving you at least seven days' notice sent or emailed to your last known address on our records in any of the following circumstances:

1. to reflect any material changes to relevant law
2. to increase the level of existing cover, or add additional cover
3. if we are no longer able to secure reinsurance protection for perils covered by this policy
4. to allow for a material change in your (or your property's) risk profile

5. to allow for a material change in the risk profile of a group of similar policy holders (or similar insured property) that will not be commercially sustainable for us under current policy terms.

If you do not agree to the alterations to the terms of your policy, you can cancel it (effective from the date of the proposed alteration). You can do this by notifying us by telephone email or post, before the effective date of the proposed alterations. If you cancel on this basis, we will refund your unused premium.

## **Other parties with a financial interest**

You authorise us to disclose personal information about your insurance to any holder of a financial interest in the car.

## **This policy is under New Zealand law**

### **New Zealand has jurisdiction**

The laws of New Zealand apply to this policy. The Courts of New Zealand have exclusive jurisdiction in relation to legal proceedings about this policy.

Any compensation awarded or costs or expenses of litigation outside New Zealand are not covered.

### **New Zealand currency and taxes apply**

All sums insured and policy limits are expressed in New Zealand currency and include Goods and Services Tax (GST) and all other taxes. All claims will be paid in New Zealand currency.

## How we will communicate with you

We will communicate with you to your last notified physical or email address.

If we are communicating to your email address, you must keep that address valid and make sure that you check it on a regular basis.

You must tell us if you change your physical or email address.

## If you have a concern

We always strive to give the best possible service. So, if you're not happy with something – anything – please let us know. We'll aim to get it sorted for you quickly and fairly.

Often a quick conversation with us can help straighten things out. But, every now and then there'll be an issue that can't be easily resolved. If that's the case, we'll talk you through our internal disputes resolution procedure. And if we still can't agree, we'll let you know how you can access our external disputes resolution provider.
