How your policy works

Your Tower House insurance – Standard cover consists of two documents: this policy wording and your certificate of insurance.

Make sure you read your policy wording and your certificate of insurance so you understand what you're covered for and what your responsibilities are.

This policy wording describes the benefits, exclusions, responsibilities and limits of your cover.

Your certificate of insurance tells you what assets are covered, what level of cover applies and whether any special terms and conditions apply.

We agree to cover you according to the terms outlined in these two documents, as long as you've paid the premium due.

Please check we've got things correct. If there is an error of any sort, if your needs are not met or if you're in doubt then please contact us on 0800 808 808 or at insurance@tower.co.nz.

Words with special meaning

In this policy some words have a special meaning, for example, 'loss'. You can find out what all of those words are and what they mean in the *Glossary* on page 35.

Please check we've got things correct. If there is an error of any sort, if your needs are not met or if you're in doubt then please contact us on **0800 808 808** or at **insurance@tower.co.nz**

What your house is insured for

Your house is covered for loss.

Loss means sudden and accidental physical loss or sudden and accidental physical damage occurring during the period of insurance in New Zealand.

We've included limits and exclusions to your house cover throughout this policy wording and on your certificate of insurance.

This is an important part of your policy wording. Please read and understand it. If any of this document doesn't make sense, please call us on 0800 808 808 and we'll explain it to you.

What your house policy does and does not cover

What we cover

We cover your house meaning the domestic buildings you own at the situation shown on your certificate of insurance including its:

1. fixtures and fittings permanently attached, plumbed or wired within the domestic buildings
2. fitted floor coverings (including glued, smooth edge or tacked carpet)
3. gates, sealed paths, free standing walls and fences
4. decks, verandas and patios that are permanently constructed
5. sealed driveways required for access to your dwelling or outbuilding
6. fixed water tanks, heating tanks, septic tanks (and their systems) that are permanently plumbed
7. underground and overhead services extending to the public mains that you're legally responsible for

8. other domestic outbuildings such as garages, carports, garden sheds and sleep outs
9. retaining walls essential for the building or positioning of your domestic buildings
10. garden retaining walls up to \$15,000 in total.

Your house also includes the features below if they are permanently installed and they are specified on your certificate of insurance:

1. garden retaining walls over \$15,000
2. special features.

What we do not cover

We do not cover loss or liability for any of the following items:

1. floor coverings not permanently fixed or glued in place
2. drapes and blinds
3. temporary structures
4. unsealed driveways and paths
5. stock fences, yards and pens
6. swimming and spa pools (and their systems) that are designed to be disassembled or picked up and moved
7. garden retaining walls over \$15,000 unless they are specified on your certificate of insurance
8. any special features unless they are specified on your certificate of insurance
9. cable car and its associated equipment

We apply an additional excess when your house is left unoccupied

We'll apply an additional excess of \$1,000 if you have a claim for loss to your house while your house is unoccupied for more than 60 consecutive days. We won't apply this additional excess if you've told us your house is a holiday home and this is shown on your certificate of insurance.

We do not cover houses with other insurance

This policy does not cover any loss, damage or liability if you're covered for that same loss, damage or liability to any extent under a policy with another insurer. We'll not contribute towards a claim under any other policy with another insurer.

What your house can be used for

Your house is insured for the type of use recorded on your certificate of insurance. If the way you use your house changes, for example, you rent it out or you run a business from it, please contact us immediately to let us know. We have landlord and business policies specifically designed for these types of use.

Your policy includes automatic benefits

Your policy also covers you for the benefits listed below.

The most we'll pay is the maximum amount detailed in each benefit. Unless the benefit expressly says otherwise, the maximum amount is included within the sum insured and is not in addition to it.

Extended sum insured for fire

We'll pay up to a further 20% of your sum insured shown on your certificate of insurance for your house claim if all the following apply:

1. your house suffers loss caused by fire
2. we decide it's uneconomic to repair your house
3. the estimated replacement cost to replace your house at the situation is greater than the sum insured shown on your certificate of insurance.

Limits

The most we will pay is the lesser of:

1. the estimated replacement cost to replace your house at the situation; or
2. your sum insured shown on your certificate of insurance, plus up to a further 20% of your sum insured.

This benefit does not apply to fire following a natural disaster.

Gradual damage to your house

We'll pay for the repair of gradual damage, deterioration, mildew, mould or rot to your house occurring during the period of insurance caused by the leaking, overflowing or discharging of any of a:

1. water supply pipe or hose
2. water disposal pipe or hose
3. water supply tank.

The pipe, hose or tank must:

1. form part of the permanent and internal water reticulation system of the house, and

2. be hidden from view because it is contained within the walls, cupboards, floors, ceiling or roof of your house.

Limits

We'll pay the reasonable costs up to \$1,000 for each event.

This benefit only applies if:

1. the leak, overflow or discharge first occurred during the time that we insure your house, and
2. you could not have discovered the damage immediately, and the damage was not visible, noticeable or obvious.

We do not cover:

1. the cost of locating and repairing the leak
2. a leak in a shower base, shower recess or shower cubicle
3. gradual damage that occurs if your house is unoccupied for more than 60 consecutive days.

House under minor alteration

We'll cover:

1. your house while it is under minor alteration
2. building materials you own that were specifically purchased for the minor alteration and stored at your house.

Minor alteration is any non-structural renovation or building work to your existing house that does not require a building consent from your local authority.

We pay this benefit in addition to your sum insured.

Limits

We'll pay up to \$10,000 for each event.

We'll only cover plumbing or electrical installations if they are carried out and/or approved by a qualified tradesperson.

We do not cover any loss for building, alteration or renovation work that requires or involves any of the following:

1. a building consent
2. lifting or shifting of the house

3. load bearing walls
4. excavation greater than one metre deep
5. piles or foundations
6. structural alterations or repairs including the removal or alteration of the roof or cladding.

Keys and locks lost or stolen

We'll pay to replace your house keys or locks, or change house key codes, if during the period of insurance:

1. they're lost
2. they're stolen
3. you have reasonable grounds to believe they have been illegally duplicated without your permission
4. you have reasonable grounds to believe they have become known to someone else without your permission.

We'll also pay to open any safe in your house following theft or loss of the keys or combination.

This benefit is paid in addition to your sum insured.

Limits

This benefit does not apply if you've told us your house is a holiday home.

We'll pay your reasonable costs up to \$500.

Your first claim during the period of insurance will be excess-free and your no claims bonus will be unaffected.

Any additional claims within the same period of insurance will mean you pay your excess and your no claims bonus may be affected.

Landscaping

We'll pay for the replacement of your lawn, flowers, trees, hedges or shrubs if they are damaged when your house suffers loss caused by:

1. fire, or
2. impact from a vehicle

where a claim is accepted by us.

We pay this benefit in addition to your sum insured.

Limit

We'll pay the reasonable cost of replacement up to \$1,000 for each event.

Liability protection

We'll cover you as the owner of your house for your legal liability to others arising from an accident at your house that causes physical property damage during the period of insurance.

We'll pay the reasonable costs and expenses incurred with our approval in defending the alleged legal liability. We'll do this if your liability, if proven, would be covered under this benefit.

We pay this benefit in addition to your sum insured.

Limits

You also have cover under this benefit for your legal liability for bodily injury to a person up to \$100,000 for each event.

We'll pay up to \$20,000,000 in total during the period of insurance.

If you have liability cover with us under any other policy, then we'll only pay under one policy for each event.

Natural disaster damage

The premium you pay for this policy includes a levy that is paid to the Earthquake Commission under EQCover. This levy covers your house for natural disaster damage up to a limit set by them. When the Earthquake Commission pays under EQCover, we'll pay for the cost of repairing or replacing loss above this limit.

If parts of your house suffer natural disaster damage and do not come within EQCover, we'll pay for their repair or replacement. This includes any garden retaining walls or special features listed on your certificate of insurance.

Limits

If your house suffers natural disaster damage you must claim for EQCover first.

The most we'll pay is the difference between your cover under EQCover and your sum insured less any applicable excess.

We apply a \$5,000 excess in place of the excess that would otherwise apply for claims for natural disaster damage to any driveway, path, fence, swimming or spa pool.

We do not cover:

1. any amount the Earthquake Commission legally refuses to pay
2. any excess or deduction under EQCover.

No claims bonus

If you're eligible for a no claims bonus we'll adjust your premium to reflect this.

Your premium may still increase at renewal for other reasons even though you receive a no claims bonus.

One event – one excess

If your house suffers loss and we've accepted your claim, and we accept a claim from the same event for loss to your contents or your domestic vehicle or boat that we also insure, you'll only pay one excess. The excess that you pay will be the higher of those excesses.

Sustainability upgrade

We'll pay for you to add or upgrade to sustainable products in the build of your replacement house if all the following apply:

1. your house suffered a loss covered by this policy
2. we decided it was uneconomic to repair your house
3. the products you've chosen to add or upgrade to are approved by us as sustainable.

We pay this benefit in addition to your sum insured.

Limits

We'll pay up to a maximum of \$15,000.

This benefit does not apply where the loss was caused by a natural disaster.

Temporary accommodation

We'll pay your temporary accommodation expenses if your house becomes uninhabitable due to loss that is covered either under this policy or under EQCover.

We'll also cover the costs of temporary accommodation where your house is habitable but you're prevented from accessing it by order or direction of government or local authorities.

The benefit includes kennel or cattery fees for your domestic pets.

We pay this benefit in addition to your sum insured.

Limits

This benefit does not apply if:

1. you've told us your house is a holiday home
2. your house was unoccupied for more than 60 consecutive days when the loss occurred.

We'll pay your reasonable costs up to a maximum of \$15,000 for each event.

We'll only pay temporary accommodation until the first of:

1. repairs to your house have been completed
2. we've paid your house claim
3. you've regained access to your house.

If we're already providing temporary accommodation and there are further events that you could claim for, we'll only pay for one event.

If you have this benefit with us under any other policy then we'll only pay under one policy.

You have certain responsibilities

Here is a list of what you and any person in charge of your house with your permission must do.

1. You must be honest and fair with us. All your statements about this policy and any claim must be honest, correct and complete.
2. You must tell us immediately if:
 - a. your house becomes tenanted, or becomes a holiday home
 - b. anyone starts to use or live in your house for any business purpose
 - c. you make any structural alterations to your house
 - d. anyone identifies your property as being at risk from a natural hazard, such as flooding, landslips, geothermal activity, erosion or subsidence
 - e. any information about your property's risk from a natural hazard changes in the Land Information Memorandum (LIM) or similar document.
3. You must tell us immediately if you or any other person covered by this policy:
 - a. commits, is charged with, or is convicted of any criminal offence
 - b. has a claim declined or policy avoided
 - c. has insurance refused or cancelled by an insurance company, or has any special terms added to a policy.

We may change the terms that we insure you on, or the premium, to reflect the change in circumstances that you've told us about.

We may cancel your policy if what you tell us is in our opinion, a substantial change in risk.

4. You and any person in charge of your house with your permission must:
 - a. take reasonable care to protect and maintain your house and to avoid legal liability, and
 - b. ensure that your house is securely locked when unattended.
5. You must pay all premiums in full by the due date. If any premium remains unpaid 28 days following the due date for payment, we may cancel this policy (effective from the first day of the period that the unpaid premium relates).
6. If you occasionally let your house, or any part of your house, you must:
 - a. ensure the house is cleaned and inspected for loss following each rental before any bond is released, and
 - b. make a claim for loss you discover with any accommodation booking service you used before you can claim under this policy.

If you do not comply with your responsibilities under this section, *You have certain responsibilities on page 23*, we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel your policy, we'll give you seven days' notice emailed or posted to your last known address on our records. If we do this, we'll refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. We may also avoid or cancel any other policies you have with us.

If we ask, you'll have to refund any claims payments we've previously paid to you. If we do this, we'll email or post notice of this decision to your last known address on our records. We'll refund your entire premium paid less any claims already paid.

How to make a claim

It is important that you tell us as soon as you become aware of any circumstances that may result in a claim.

Call us on 0800 808 808 or go to tower.co.nz/claims to make a claim online.

You have certain responsibilities at claim time

Events leading to a claim can be stressful. Your personal safety is paramount, so make sure you and anyone else involved are safe from harm and if necessary, call the emergency services.

Here is a list of what you and any person in charge of your house with your permission must do at claim time.

Before you lodge your claim

You must:

1. Inform the Police if it appears that there has been arson, theft, burglary or malicious damage and provide details of the complaint to us. For example, the acknowledgement number.
2. Tell us as soon as possible:
 - a. if it is likely that you'll make a claim
 - b. if you or anyone else who may have cover under this policy is charged with any offence that resulted in loss of property or caused bodily injury to someone else
 - c. about any claim made against you by another person, with full particulars and all legal documents served on you.
3. Take all reasonable steps to prevent further loss or liability.
4. Get our permission before you arrange for any repairs or replacement, or incur any expense for any claim.
5. If we ask you to complete a claim form, return that claim form to us within 30 days.

Once you've lodged your claim

You must:

6. Let us inspect the loss and deal with any salvage reasonably. No property may be abandoned to us.
7. Provide proof of ownership or purchase (such as receipts, bank statements, credit card vouchers, warranties, guarantees, photos, videos, and so on) for any property you claim for.
8. Let us complete all necessary documents and authorities for any claims under this policy as your authorised agent.
9. Comply with all our requests about your claim by providing full cooperation, information and assistance.
10. Not discuss a claim made on you by another person with them; instead, refer them to us.
11. Pay any applicable excess and any applicable additional excess.
12. Let us instruct a solicitor of our choice to conduct your defence. Follow the recommendations of that solicitor about the conduct or continuation of your defence.
13. Let us talk with that solicitor when necessary about the details of the case and the conduct or continuation of your defence.

After we've accepted your claim

You must:

14. Cooperate fully in any action we take to recover money from other parties involved in your claim.
15. Let us take over for our own benefit and settle any legal right of recovery you may have.
16. Tell us if any person is ordered to make reparation to you for any loss or cost that was part of the claim. Reimburse us for that payment as soon as you receive any reparation.
17. Tell us if any lost or stolen property that was part of the claim is found or recovered. Hand it over to us or, at our option, refund any money paid by us if we request it.

At any time:

18. Do not start repairing or replacing your house or incur any costs (such as surveyors, engineers, demolition or debris removal costs), without our prior approval.

If you do not comply with your responsibilities under this section, *You have certain responsibilities at claim time* on page 25, we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel your policy, we'll give you seven days' notice emailed or posted to your last known address on our records. If we do this, we'll refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. We may also avoid or cancel any other policies you have with us.

If we ask, you'll have to refund any claims payments we've previously paid to you. If we do this we'll email or post notice of this decision to your last known address on our records. We'll refund your entire premium paid less any claims already paid.

How we'll look after your claim

When you contact us to make a claim we'll:

1. process your claim within the terms of the policy
2. explain how the claims process works
3. explain what we need to go ahead with your claim
4. if required, arrange for an assessor, investigator or other specialist to inspect the loss and explain the procedure that will be followed
5. keep you updated on your claim's progress
6. give you the information you need on how we'll settle your claim
7. if we decline your claim, we'll clearly explain why.

What excesses you may need to pay

The excess is the amount of any claim that you're responsible for. The excess applies to each event resulting in a claim.

Where loss has been caused on multiple occasions or events, an excess will apply to each occasion or event.

Unless the benefit being claimed says it is excess free you'll need to pay your excess. Your excess and any additional excesses that may apply are detailed on your certificate of insurance and in this policy wording.

Where a benefit specifies an additional excess, that additional excess will apply above any other excess on your certificate of insurance.

How we'll settle your claim

The maximum per event that we'll settle your claim for is the least of:

1. the actual cost to repair your house
2. the actual cost to replace the actual square metre area of your house before the loss, or the square metre area shown on your certificate of insurance (whichever is the lesser)
3. the sum insured as shown on your certificate of insurance.

If the automatic benefit *Extended sum insured for fire* on page 12 applies, the maximum per event that we'll settle your claim for is the sum insured shown on your certificate of insurance plus up to a further 20% of your sum insured.

We'll settle your claim for loss following the process set out below.

Economic repair

If we decide it is economic to repair the loss to your house that is covered under this policy, we'll, at our option, choose one of the following:

1. repair the loss to your house, or
2. pay you for the actual repair cost, as those costs are incurred by you, to repair the loss to your house, or

3. pay you in cash the estimated repair cost to repair the loss to your house.

Alternatively, you may elect to receive in cash the current replacement value of the repairs to your house.

After a partial loss to your house that is covered by this policy, your sum insured will reduce by the amount that it would take to repair that loss. We'll restore the full sum insured once the house has been fully repaired. Cover will not be restored if the house suffers a total loss.

Uneconomic repair

If we decide it is uneconomic to repair the loss to your house that is covered under this policy, the following apply:

1. We'll, at our option, choose one of the following:
 - a. replace your house at the situation, or
 - b. pay you for the actual replacement cost, as those costs are incurred by you, to replace your house at the situation, or
 - c. pay you in cash the estimated replacement cost to replace your house at the situation.
2. If it is not legally or practically possible to replace your house at the situation, (including for example; because of local authority laws, or the circumstances surrounding the land) then we'll, at your option, either:
 - a. pay you for the actual replacement cost, as those costs are incurred by you, to replace your house at an alternative site in New Zealand, or
 - b. pay for you to buy another comparable house in New Zealand (excluding the value of the land)

provided the cost is not greater than the estimated replacement cost of replacing your house at the situation.
3. If we choose to pay you for the actual replacement cost, as those costs are incurred by you, you may choose one of the following options instead:
 - a. you may be paid for the actual replacement cost, as those costs are incurred by you, to replace your house at another site in New Zealand (excluding demolition and removal of debris costs unless actually incurred).

- This is provided the cost is not more than the estimated replacement cost of replacing your house at the situation
- b. you may be paid for the actual cost of buying another comparable house in New Zealand, including necessary legal and associated costs (excluding the value of the land). This is provided the cost is not more than the estimated replacement cost of replacing your house at the situation (excluding demolition and removal of debris costs unless actually incurred)
 - c. you may receive a cash payment based on the current replacement value of your house, as assessed by us, excluding demolition and removal of debris costs unless we agree otherwise.
4. If you choose to sell your house and land without our prior agreement, your settlement options will be limited and you may choose from one of the following options instead:
- a. we'll pay you for the actual cost of buying another comparable house in New Zealand including necessary legal and associated costs (excluding the value of the land)
 - b. you may receive a cash payment based on the current replacement value of your house excluding demolition and removal of debris costs unless we agree otherwise.

In all cases:

1. We'll pay, where necessary:
 - a. the reasonable extra cost of complying with local authority laws and regulations when repairing or replacing the damaged parts of your house. This is provided those damaged parts complied with local authority laws and regulations at the time they were built or altered
 - b. the reasonable architects', engineers' and surveyors' fees necessary for the repair or replacement, provided they are authorised by us before they are incurred
 - c. the reasonable cost of demolition and the removal of debris including debris that directly caused the loss, and including the contents unless specifically excluded.

2. Where we've paid the demolition and removal of debris costs, we retain any salvaged property.
3. If you pay your premium by instalments and your house is uneconomic to repair, you must pay the rest of the annual premium before we settle your claim.
4. If we've been notified of a financial interest in your house, we're obliged to make any cash payment to the interested party (for example, a mortgagee) up to the amount of its interest. This payment counts towards meeting our obligations under this policy.
5. We'll use building materials and construction methods commonly used at the time of the repair or replacement.
6. We will not:
 - a. pay more than the sum insured shown on your certificate of insurance, unless the cover provided in the automatic benefit *Extended sum insured for fire* on page 12 applies
 - b. pay any extra cost of repairing or replacing any part of your house caused by that part not having a legally required building consent when it was built, or that part being built contrary to the building consent issued
 - c. pay for repairing or replacing any part of your house that has not suffered loss
 - d. pay for any neighbouring property's share where you jointly own property such as retaining walls, fences, gates or driveways
 - e. pay the cost of repair or replacement beyond what is reasonable, practical or comparable with the original when built or renovated, other than the cover provided in the automatic benefit *Sustainability upgrade* on page 16
 - f. repair or replace your house exactly to its previous condition.

Assignment

Where you've made a claim for the repair or replacement of your house, you must not transfer any of your rights, obligations, title, interests or benefits under this policy without our prior written consent. If you do not obtain our prior written consent, any transfer is invalid at law.
