Compare your benefits

Choosing what's right for you can be difficult, but we've made it easy with this comparison table.

The cover that you've chosen (comprehensive or third party) will be shown on your certificate of insurance.

This is a summary only. You can find full details of your cover beginning from *page 8* of this document. Unless stated otherwise, the sums in this table and in the policy wording are the limits of cover per event.

How your policy works

Your Tower Commercial vehicle cover consists of two documents: this policy wording and your certificate of insurance.

Make sure you read your policy wording and your certificate of insurance so you understand what you're covered for and what your responsibilities are.

This policy wording describes the benefits, exclusions, responsibilities and limits of your cover.

Your certificate of insurance tells you what assets are covered, what level of cover applies and whether any special terms and conditions apply.

We agree to cover you according to the terms outlined in these two documents, as long as you've paid the premium due.

Please check we've got things correct. If there is an error of any sort, if your needs are not met or if you're in doubt then please contact us on 0800 808 808 or at insurance@tower.co.nz.

How to make a claim

It is important that you tell us as soon as you become aware of any circumstances that may result in a claim.

Call us on 0800 808 808 or go to tower.co.nz/claims to make a claim online.

You have certain responsibilities at claim time

Events leading to a claim can be stressful. Your personal safety is paramount, so make sure you and anyone else involved are safe from harm and if necessary, call the emergency services.

Here's a list of what you and any person in charge of your vehicle with your permission must do at claim time.

Before you lodge your claim

You must:

1. Inform the Police if it appears that there has been arson, theft, burglary or malicious damage and provide details of the complaint to us. For example, the acknowledgement number.
2. Tell us as soon as possible:
 - a. if it is likely that you'll make a claim
 - b. if you or anyone else who may have cover under this policy is charged with any offence that resulted in loss of property, or caused bodily injury to someone else
 - c. about any claim made against you by another person, with full particulars and all legal documents served on you.
3. Take all reasonable steps to prevent further loss or liability.
4. Get our permission before you arrange for any repairs or replacement, or incur any expense for any claim.
5. If we ask you to complete a claim form, return that claim form to us within 30 days.

Once you've lodged your claim

You must:

6. Let us inspect the damaged vehicle and deal reasonably with any salvage. No property may be abandoned to us.
7. Let us complete all necessary documents and authorities for any claims under this policy as your authorised agent.
8. Provide proof of purchase and/or proof of ownership of all items being claimed for.
9. Comply with all our requests about your claim by providing full cooperation, information and assistance.
10. Not discuss a claim made on you by another person with them. Instead, refer them to us.
11. Pay any applicable excess and any additional excess.
12. Let us instruct a solicitor of our choice to conduct your defence. You must follow the recommendations of that solicitor about the conduct or continuation of your defence.
13. Let us talk with that solicitor when necessary about the details of the case and the conduct or continuation of your defence.

After we've accepted your claim

You must:

14. Make sure that any repairs are carried out promptly.
15. Cooperate fully in any action we take to recover money from other parties involved in your claim.
16. Let us take over for our own benefit and settle any legal right of recovery you may have.
17. Tell us if any person is ordered to make reparation to you for any loss or cost that was part of the claim. Reimburse us for that payment as soon as you receive any reparation.
18. Tell us if any lost or stolen property that was part of the claim is found or recovered. Hand it over to us or, at our option, refund any money paid by us if we request it.

If you do not comply with your responsibilities under this section *You have certain responsibilities at claim time on page 36* we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel your policy we'll give you seven days' notice emailed or posted to your last known address on our records. If we do this, we'll refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. We may also avoid or cancel any other policies you have with us.

If we ask, you'll have to refund any claims payments we've previously paid to you. If we do this we'll email or post notice of this decision to your last known address on our records. We'll refund your entire premium paid less any claims already paid.

How we'll look after your claim

When you contact us to make a claim we'll:

1. process your claim within the terms of the policy
2. explain how the claims process works
3. explain what we need to go ahead with your claim
4. if required, arrange for an assessor, investigator or other specialist to inspect the loss and explain the procedure that will be followed
5. keep you updated on your claim's progress
6. give you all the information you need on how we'll settle your claim
7. if we decline your claim we'll clearly explain why.

What excesses you may need to pay

The excess is the amount of any claim that you're responsible for. The excess applies to each event that results in a claim.

Where loss has been caused on multiple occasions or events, an excess will apply for each occasion or event.

Unless the benefit being claimed says it's excess-free you'll need to pay your excess.

Additional excesses apply when the vehicle is being driven or in the control of:

1. an inexperienced driver
2. a driver who holds an International drivers licence unless that licence was issued in a country identified by the NZTA as being eligible to apply for an exemption from a practical test. These countries are detailed on their website
3. when an additional underwriting excess has been applied.

Your excess and any additional excesses that apply are detailed on your certificate of insurance.

How we'll settle your claim

We'll settle your claim for loss following the process set out below.

For repairs

If we decide to repair your vehicle, we have the option to:

1. arrange the repair
2. pay you an amount equal to the reasonable cost of repairs as assessed by us.

If your vehicle is repairable, and you've decided to go to a repairer who is not part of our recommended repairer network, then we may choose Option 2 above.

The most we'll pay is the lesser of:

1. the cost of repairs
2. the market value of your vehicle at the time of the loss, and the current value of any listed accessories and modifications.

In the case of partial loss to your vehicle, we'll automatically reinstate your vehicle's market value sum insured to its pre-loss cover value after we meet any claim and repairs are completed.

For a total loss

If we decide your vehicle is a total loss:

1. we'll pay you the market value of your vehicle at the time of the loss, and the current value of any listed accessories and modifications
2. we'll replace your vehicle if it fits within the limits described under the benefit *New vehicle replacement on page 15*, otherwise we'll cash settle under 1 above
3. your vehicle, including its accessories and modifications, will become our property
4. your policy will be automatically cancelled and no refund of premium will be given. If you pay your premium by instalments you must pay the rest of the annual premium before we settle your claim.

If your vehicle is leased at the time of loss, and we decide:

1. your vehicle is a total loss, and
2. the benefit *New vehicle replacement on page 15* does not apply

we'll pay the:

1. reasonable market value, or
 2. residual value of your vehicle
- whichever is the greater amount, up to an amount no greater than the market value of the vehicle plus 20%.

We will not pay:

1. penalties for early termination
2. penalties for any additional distance travelled
3. penalties resulting from lack of servicing or poor maintenance
4. unpaid obligations or outstandings under the lease at the time of the loss
5. 'balloon' payments
6. the amount by which the residual value of your vehicle exceeds 120% of its market value, where there is a guaranteed buy back agreement.

The residual value for the purpose of this clause means the market value of the vehicle or the final book value at the natural expiry date of the lease contract, as set out under the terms of that contract.

In all cases:

We'll not pay more than the maximum amounts detailed for all benefits in this policy wording or on your certificate of insurance.

We'll pay an interested party (finance company and so on) if we've been notified of their interest in your vehicle. Their receipt will discharge us to the extent of our payment.

If your vehicle includes any set of accessories, we'll firstly try to match the undamaged item or items and, if that is not possible, we'll pay for the nearest equivalent set available.

We have the option to use new, recycled or reconditioned parts in any repair.

Replacement parts

We'll pay for any part or accessory not currently available in New Zealand up to the lesser of:

1. the last known price list in New Zealand when the part or accessory was available
2. the part's or accessory's closest New Zealand equivalent.

We'll pay you the equivalent cost to us for a part or accessory if you ask us not to replace it.

Limits

Your vehicle is not covered for:

1. freight and other costs to import parts or accessories from outside New Zealand
2. any costs due to the inability to match existing paint
3. costs to replace any part or accessory that has not suffered loss.

If you do not agree to the alterations to the terms of your policy, you can cancel it (effective from the date of the proposed alteration).
