These are the basics of your policy.

2. These are your benefits.

What you are covered for on page 10.

3. Responsibilities and exclusions.

What you must do, and what isn't covered on page 18.

4. Making a claim.

Information about making your claim with us on page 25.

5. Other stuff.

This is important too, like what to do if you have a concern on page 32.

6. Glossary.

Some words have special meanings on page 35.

As part of our commitment to you, this document meets the WriteMark Plain Language Standard. The WriteMark is an internationally recognised plain language quality mark.

What your house is insured for

Your house is covered for loss.

There are limits and exclusions to your house cover which are detailed throughout this policy wording and the certificate of insurance.

This is an important part of your policy wording. Please read and understand it. If any of this document doesn't make sense, please call us on 0800 808 808 and we will explain it to you.

What your house policy does and does not cover

We cover your house and some permanent features

By house we mean the domestic buildings you own at the situation shown in the certificate of insurance including its:

1. fixtures and fittings within the domestic buildings
2. fitted floor coverings (including glued, smooth edge or tacked carpet)
3. gates, sealed paths, free standing walls and fences
4. sealed driveways required for access to your dwelling or outbuilding
5. fixed water tanks, septic tanks (and their systems) that are permanently plumbed
6. underground and overhead services extending to the public mains
7. other domestic outbuildings such as garages or garden sheds
8. retaining walls essential for the building or positioning of your domestic buildings
9. garden retaining walls up to \$50,000.

Your house also includes the features below if they are permanently installed and they are specified in your certificate of insurance:

1. garden retaining walls over \$50,000
2. recreational features
3. special features.

We do not cover some things in and around your house

We do not cover any of the following:

1. floor coverings not permanently fixed or glued in place
2. drapes and blinds
3. unsealed driveways and paths
4. swimming and spa pool pumps and motors that are portable and/or not permanently installed
5. garden retaining walls over \$50,000 unless they are specified on your certificate of insurance
6. any recreational features or special features unless they are specified on your certificate of insurance.

We apply an additional excess when your house is left unoccupied

Unless you have told us your house is a holiday home, we will apply an additional excess of \$1,000 in the event of a claim for loss to your house while your house is unoccupied for more than 60 consecutive days.

We do not cover houses with other insurance

This policy does not cover any loss, damage or liability if you are covered for that same loss, damage or liability to any extent under a policy with another insurer. We will not contribute towards a claim under any other policy with another insurer.

What your house can be used for

Your house is insured for the type of use recorded as the residency type in the certificate of insurance. If the way you use your house changes, please contact us to let us know as soon as possible.

If your house is or becomes tenanted, you must let us know. We have a landlord's policy which is specifically designed for rental properties.

Your automatic benefits

Your policy also covers you for the benefits listed below.

The most we will pay is the maximum amount detailed in each benefit. Unless the benefit expressly says otherwise, the maximum amount is included within the house sum insured and is not in addition to it.

Carpets extended replacement

We will pay to replace carpet (including underlay) in rooms that have not suffered loss if we need to do so to match carpets we are replacing.

This benefit only applies if we:

1. have accepted a claim for loss to your carpets
2. have determined that this loss means we have to replace some of your carpets
3. cannot find a replacement carpet that matches the existing carpets in your house.

Limits

This benefit does not apply if you have told us your house is a holiday home or it is unoccupied for more than 60 consecutive days.

We will pay for carpets comparable to the quality of the carpets we are replacing.

This benefit does not cover carpets that are not permanently fixed to your house.

Demand surge protection

We may, at our sole discretion, increase your house sum insured to no more than the limits outlined below, if all the following conditions are met:

1. your house has suffered loss covered by this policy
2. that loss was caused by natural disaster, flood or storm that occurred at, or near your house causing widespread loss

3. building costs have increased by a verified statistical percentage because there is a surge in demand for labour and materials as a direct result of that widespread loss
4. this increase is the only reason the actual cost to repair or replace your house is higher than your house sum insured noted on the certificate of insurance.

Limits

If we determine this benefit applies, the most we will pay is the lesser of:

1. the actual cost to repair or replace your house
2. your house sum insured noted on the certificate of insurance, plus the verified statistical percentage increase in building costs, up to a maximum of 15% of the house sum insured.

This benefit will not apply if we offered to pay the actual replacement cost but you have chosen to receive a cash payment instead of repairing or replacing your house.

Full replacement for fire

We will settle your house claim with no house sum insured limit if the loss to it is caused by fire.

Limits

We will, at our option, replace it, or pay you for the actual replacement cost as those costs are incurred, with a house that is the:

1. square metre area shown on your certificate of insurance, or
2. actual square metre area of your house before the loss

whichever is the lesser.

This benefit does not apply to fires following a natural disaster.

Where this benefit applies, the [Demand surge protection on page 10](#) benefit does not apply.

Glass breakage reduced excess

We will cover breakage to permanently installed glass in your house.

If your claim is only for glass breakage, your excess will be \$50 instead of the excess(es) specified in your certificate of insurance and we will not decrease your no claims bonus.

Gradual damage to your house

We will pay for the repair of gradual damage, deterioration, mildew, mould or rot to your house occurring during the period of insurance caused by the leaking, overflowing or discharging of any of a:

1. water supply pipe or hose
2. water disposal pipe or hose
3. water supply tank.

The pipe, hose or tank must:

1. form part of the permanent and internal water reticulation system of the house, and
2. be hidden from view because it is contained within the walls, cupboards, floors, ceiling or roof of your house.

Limits

We will pay the reasonable costs up to \$3,000 per event.

This benefit only applies if:

1. the leak, overflow or discharge first occurred during the time that we insure your house
2. you could not have discovered the damage immediately, and the damage was not visible, noticeable or obvious.

We do not cover:

1. the cost of locating and repairing the leak
2. a leak in a shower base, shower recess or shower cubicle
3. gradual damage that occurs if your house is unoccupied for more than 60 consecutive days.

House under minor alteration

We will cover:

1. your house while it is under minor alteration

2. building materials you own that were specifically purchased for the minor alteration and stored at your house.

Minor alteration is any non-structural renovation or building work to your existing house that does not require a building consent from your local authority.

This benefit is in addition to your house sum insured.

Limits

We will pay up to \$50,000 per event.

We will only cover plumbing or electrical installations if they are carried out and/or approved by a qualified tradesperson.

We do not cover any loss for building, alteration or renovation work that requires or involves any of the following:

1. a building consent
2. lifting or shifting of the house
3. load bearing walls
4. excavation greater than one metre deep
5. piles or foundations
6. structural alterations or repairs including the removal or alteration of the roof or cladding.

Keys and locks lost or stolen

We will pay to replace your keys or locks, or change key codes, if during the period of insurance they are stolen, lost or believed on reasonable grounds to have been illegally duplicated.

We will also pay to open any safe following theft or loss of the keys or combination.

Any claim under this benefit will be excess free and is paid in addition to your house sum insured.

Limits

This benefit does not apply if you have told us your house is a holiday home.

We will pay your reasonable costs up to \$2,000.

We will only pay under this benefit once per period of insurance.

Landscaping

We will pay for the replacement of your lawn, flowers, trees, hedges or shrubs if they are damaged by:

1. your house suffering loss caused by fire
2. impact from a vehicle

for which a claim is accepted by us.

This benefit is in addition to your house sum insured.

Limit

We will pay the reasonable cost of replacement up to \$5,000 per event.

Liability protection

We will cover you as the owner of your house for your legal liability to others arising from an accident at your house which causes physical property damage during the period of insurance.

We will pay the reasonable costs and expenses incurred with our approval in defending the alleged legal liability. We will do this if your liability, if proven, would be covered under this benefit.

This benefit is in addition to your house sum insured.

Limits

You also have cover under this benefit for your legal liability:

1. for bodily injury to a person up to \$100,000 per event
2. arising under the provisions of sections 43 and 46 of the Forest and Rural Fires Act 1977, or any amendments or any Acts passed in substitution of the Act. You have cover up to \$100,000 per event.

We will pay up to \$20,000,000 in total during the period of insurance.

If you have liability cover with us under any other policy, then we will only pay under one policy per event.

Natural disaster damage

The premium you pay for this policy includes a levy which is paid to the Earthquake Commission under EQCover. This levy covers your house for natural disaster damage up to a limit set by them. When the Earthquake Commission pays under EQCover, we will pay for the cost of repairing or replacing loss above this limit.

If parts of your house suffer natural disaster damage and do not come within EQCover, we will pay for their repair or replacement. This includes any garden retaining walls, recreational features or special features listed on your certificate of insurance.

Limits

If your house suffers natural disaster damage you must claim for EQCover first.

The most we will pay is the difference between your cover under EQCover and your sum insured less any applicable excess.

We apply a \$5,000 excess in place of the excess that would otherwise apply for claims for natural disaster damage to any driveway, path, fence, swimming or spa pool.

We do not cover:

1. any amount the Earthquake Commission legally refuses to pay
2. any excess or deduction under EQCover.

No claims bonus

You will receive a no claims bonus if you have not had any claim with us or with your previous insurer during the last insurance policy year.

Your no claims bonus may step down on renewal following any claim. This means your premium may increase because your no claims bonus status has reduced. However, your no claims bonus may step up again at the next renewal if you make no further claims. This means your premium may reduce because your no claims bonus status has increased.

Other rating factors may mean that although you receive a no claims bonus, your premium may still increase.

One event – one excess

If your house suffers loss and we have accepted your claim, and we accept a claim from the same event for loss to your contents or your car that we also insure, you will only pay one excess. The excess that you pay will be the higher of those excesses.

Stress benefit lump sum payment

We will pay you a lump sum for the stress caused to you if you suffer a total loss to your house for which a claim is accepted.

This benefit is in addition to your house sum insured.

Limit

We will pay you \$2,000 per event as soon as we have accepted your house claim is a total loss.

Temporary accommodation

We will pay your temporary accommodation expenses if your house becomes uninhabitable due to loss which is covered either under this policy or under EQCover.

We will also cover the costs of temporary accommodation where your house is habitable but you are prevented from accessing it by order or direction of government or local authorities.

The benefit includes kennel or cattery fees for your domestic pets.

This benefit is in addition to your house sum insured.

Limits

This benefit does not apply if:

1. you have told us your house is a holiday home
2. your house was unoccupied for more than 60 consecutive days when the loss occurred.

We will pay your reasonable costs up to a maximum of \$30,000 per event.

We will only pay temporary accommodation until the first of:

1. repairs to your house have been completed
2. we have paid your house claim

3. you have regained access to your house.

If we are already providing temporary accommodation and there are further events which you could claim for, we will only pay for one event.

If you have this benefit with us under any other policy then we will only pay under one policy.

What your responsibilities are

Here is a list of what you, and any person in charge of your house with your permission, must do.

1. You must be honest and fair with us. All your statements made about this policy and any claim must be honest, correct and complete. If they are not, we have no liability under this policy or for any claim.
2. You must provide us with all relevant information. This means you must tell us everything you know, or could reasonably be expected to know, that may influence our decision to insure you or the terms on which we insure you.
3. You must tell us if any circumstances change or may change while we are insuring your house. This applies when the policy starts, while it is in force and when it renews.

Examples of a change in circumstances or any other information may include:

- a. If your house becomes tenanted or becomes a holiday home

- b. If the use or occupation of your house or land changes to include any business use
- c. If any structural alteration or addition is made to your house
- d. If you or any person who may occupy your house is charged with, convicted of, or commits any criminal offence other than traffic offences.

These examples are a guide only. If you are in any doubt, tell us the details, even if we have not asked questions that relate to it.

We may change the terms on which we insure you, or the premium, to reflect the change in circumstances that you have told us about.

We may cancel your policy by giving you at least seven days' notice if what you tell us is in our opinion, a substantial change in risk.

- 4. You and any person in charge of your house with your permission must:
 - a. take reasonable care to protect and maintain your house and to avoid legal liability, and
 - b. ensure that your house is securely locked when unattended.

Otherwise we may decline your claim and/or recover any payment already made.

- 5. You must pay all premiums in full by the due date. If any premium remains unpaid 28 days following the due date for payment, we may cancel this policy (effective from the first day of the period to which the unpaid premium relates).
- 6. If you occasionally let your house, or any part of your house, short-term (no more than eight consecutive weeks at a time) you must:
 - a. ensure the house is cleaned and inspected for loss following each rental before any bond is released, and
 - b. make a claim for loss you discover with any accommodation booking service you used before you can claim under this policy.

7. If you do not comply with your obligations under this section *What your responsibilities are on page 22* and *What your responsibilities are at claim time on page 25*, we can decline any claim (and recover any claims payment already made). We can also cancel or avoid this policy.

If we cancel we will give you seven days' notice sent, emailed or posted to your last known address on our records. If we do this, we will refund your unused premium.

If we avoid your policy, it will be treated as if it had never been taken out. If we ask, you will have to refund any claims payments we have previously paid to you. If we do this, we will email or post notice of this decision to your last known address on our records. We will refund your entire premium paid less any claims already paid.

How to make a claim

It is important that you tell us as soon as you become aware of any circumstances which may result in a claim.

Call us on 0800 808 808 or go to tower.co.nz/claims to fill in an online claim form.

What your responsibilities are at claim time

Events leading to a claim can be stressful. Your personal safety is paramount, so make sure you and anyone else involved are safe from harm and if necessary, call the emergency services.

Here is a list of what you and any person in charge of your house with your permission must do at claim time.

Before you lodge your claim

You must:

1. Inform the Police if it appears that there has been arson, theft, burglary or malicious damage.
2. Tell us as soon as possible:
 - a. if it is likely that you will make a claim
 - b. if you or anyone else who may have cover under this policy is charged with any offence which resulted in loss of property or caused bodily injury to someone else
 - c. about any claim made against you by another person, with full particulars and all legal documents served on you.
3. Take all reasonable steps to prevent further loss or liability.
4. Get our permission before you arrange for any repairs or replacement, or incur any expense for any claim.
5. If we ask you to complete a claim form, return that claim form to us within 30 days.

Once you've lodged your claim

You must:

1. Let us inspect the loss and deal with any salvage reasonably. No property may be abandoned to us.

2. Provide proof of ownership or purchase (such as receipts, bank statements, credit card vouchers, warranties, guarantees, photos, videos, and so on) for any property you claim for.
3. Let us complete all necessary documents and authorities for any claims under this policy as your authorised agent.
4. Comply with all our requests about your claim by providing full cooperation, information and assistance.
5. Not discuss a claim made on you by another person with them; instead, refer them to us.
6. Pay any applicable excess and any applicable additional excess; where you discover damage caused on multiple occasions then pay an excess for each occasion or event that occurred.
7. Let us instruct a solicitor of our choice to conduct your defence. Follow the recommendations of that solicitor about the conduct or continuation of your defence.
8. Let us talk with that solicitor when necessary about the details of the case and the conduct or continuation of your defence.

After we've accepted your claim

You must:

1. Cooperate fully in any action we take to recover money from other parties involved in your claim.
2. Let us take over for our own benefit and settle any legal right of recovery you may have.
3. Tell us if any person is ordered to make reparation to you for any loss or cost that was part of the claim. Reimburse us for that payment as soon as you receive any reparation.
4. Tell us if any lost or stolen property which was part of the claim is found or recovered. Hand it over to us or, at our option, refund any money paid by us if we request it.

At any time:

Do not start repairing or replacing your house or incur any costs (such as surveyors, engineers, demolition or debris removal costs), without our prior approval.

Otherwise we may decline your claim and/or recover any payment already made.

How we will look after your claim

When you contact us to make a claim we will:

1. process your claim within the terms of the policy
2. explain how the claims process works
3. explain what we need to go ahead with your claim
4. if required, arrange for an assessor, investigator or other specialist to inspect the loss and explain the procedure that will be followed
5. keep you updated on your claim's progress
6. give you the information you need on how we will settle your claim
7. if we decline your claim, we will clearly explain why.

What excesses you may need to pay

The excess is the amount of any claim that you are responsible for. The excess applies to each event resulting in a claim.

Where loss has been caused on multiple occasions an excess will apply to each occasion.

Unless the benefit being claimed says it is excess free you will need to pay your excess. Your excess and any additional excesses that may apply are detailed on your certificate of insurance and in this policy wording.

Where a benefit specifies an additional excess, that additional excess will apply above any other excess in your certificate of insurance.

How we will settle your claim

The maximum per event for which we will settle your claim is the least of:

1. the actual cost to repair your house, or
2. the actual cost to replace the actual square metre area of your house before the loss, or the square metre area shown on your certificate of insurance (whichever is the lesser), or
3. the house sum insured as shown on your certificate of insurance, unless the automatic benefit [Full replacement for fire on page 11](#) applies.

We will settle your claim for loss following the process set out below.

Economic repair

If we decide it is economic to repair the loss to your house that is covered under this policy, we will, at our option, choose one of the following:

1. repair the loss to your house, or
2. pay you for the actual repair cost, as those costs are incurred by you, to repair the loss to your house, or
3. pay you in cash the estimated repair cost to repair the loss to your house.

Alternatively, you may elect to receive in cash the current replacement value of the repairs to your house.

After a partial loss to your house that is covered by this policy, we will reduce your sum insured by the amount that it would take to repair that loss. We will restore the full sum insured after the house has been fully repaired. We will not restore this cover if the house suffers a total loss.

Uneconomic repair

If we decide it is uneconomic to repair the loss to your house that is covered under this policy the following apply:

1. We will, at our option, choose one of the following:
 - a. replace your house at the situation, or

- b. pay you for the actual replacement cost, as those costs are incurred by you, to replace your house at the situation, or
 - c. pay you in cash the estimated replacement cost to replace your house at the situation.
- 2. If it is not legally or practically possible to replace your house at the situation, (including for example; because of local authority laws, or the circumstances surrounding the land) then we will, at your option, either:
 - a. pay you for the actual replacement cost, as those costs are incurred by you, to replace your house at an alternative site in New Zealand, or
 - b. pay for you to buy another comparable house in New Zealand (excluding the value of the land)

provided the cost is not greater than the estimated replacement cost of replacing your house at the situation.

- 3. If we choose to pay you for the actual replacement cost, as those costs are incurred by you, you may choose one of the following options instead:
 - a. you may be paid for the actual replacement cost, as those costs are incurred by you, to replace your house at another site in New Zealand (excluding demolition and removal of debris costs unless actually incurred). This is provided the cost is not more than the estimated replacement cost of replacing your house at the situation
 - b. you may be paid for the actual cost of buying another comparable house in New Zealand, including necessary legal and associated costs (excluding the value of the land). This is provided the cost is not more than the estimated replacement cost of replacing your house at the situation (excluding demolition and removal of debris costs unless actually incurred)
 - c. you may receive a cash payment based on the current replacement value of your house, as assessed by us, excluding demolition and removal of debris costs unless we agree otherwise.

4. If you choose to sell your house and land without our prior agreement, your settlement options will be limited and you may choose from one of the following options instead:
 - a. we will pay you for the actual cost of buying another comparable house in New Zealand including necessary legal and associated costs (excluding the value of the land)
 - b. you may receive a cash payment based on the current replacement value of your house excluding demolition and removal of debris costs unless we agree otherwise.

In all cases:

1. We will pay, where necessary:
 - a. the reasonable extra cost of complying with local authority laws and regulations when repairing or replacing the damaged parts of your house. This is provided those damaged parts complied with local authority laws and regulations at the time they were built or altered
 - b. the reasonable architects', engineers' and surveyors' fees necessary for the repair or replacement provided they are authorised by us before they are incurred
 - c. the reasonable cost of demolition and removal of debris including the contents unless specifically excluded.
2. Where we have paid the demolition and removal of debris costs, we retain any salvaged property.
3. If you pay your premium by instalments and your house is uneconomic to repair you must pay the rest of the annual premium before we settle your claim.
4. If we have been notified of a financial interest in your house we are obliged to make any cash payment to the interested party (for example, a mortgagee) up to the amount of its interest. This payment counts towards meeting our obligations under this policy.
5. We will use building materials and construction methods commonly used at the time of the repair or replacement.

6. We will not:
- a. pay any extra cost of repairing or replacing any part of your house caused by that part not having a legally required building consent when it was built, or that part being built contrary to the building consent issued
 - b. pay for repairing or replacing any part of your house that has not suffered loss
 - c. pay the cost of repair or replacement beyond what is reasonable, practical or comparable with the original when built or renovated
 - d. repair or replace your house exactly to its previous condition.

Assignment

Where you have made a claim for the repair or replacement of your house, you must not transfer any of your rights, obligations, title, interests or benefits under this policy without our prior written consent. If you do not obtain our prior written consent, any transfer is invalid at law.

Cancelling this policy

You can cancel this policy by notifying us either by telephone, or in writing. We will refund 80% of your unused premium (unless the refund is less than \$25 in which case no refund will apply).

We may cancel or avoid this policy in accordance with the express rights of cancellation and/or avoidance set out in the headings:

1. *[What your responsibilities are on page 22](#)*
2. *[What your responsibilities are at claim time on page 25](#)*
3. *[Making changes to this policy on page 32](#)*

If you make a claim that is false or fraudulent in any way, or make any false statement to us, we may retrospectively avoid your policy. We may also avoid any other policies you have with us or cancel them immediately from the date of the fraudulent act. If we do this, we will refund your unused premium.

Free look period

If you are not completely happy with your policy, you can cancel it within 15 days of the start date so long as you have not made any claims.

We will refund any premiums you paid and we will both regard this policy as never having started.

Inflation protection

To help protect you from inflation, the sums insured shown in the certificate of insurance may be increased at the renewal of your policy. The increase will be based on the changes in building costs and the appropriate parts of the Consumer Price Index. Your premium at renewal will be calculated on the revised sums insured.

Making changes to this policy

You can have this policy altered as long as we agree in writing to that alteration before it takes effect.

We can alter the terms or cancel this policy by giving you at least seven days' notice sent or emailed to your last known address on our records in any of the following circumstances:

1. to reflect any material changes to relevant law
2. to increase the level of existing cover, or add additional cover
3. if we are no longer able to secure reinsurance protection for perils covered by this policy
4. to allow for a material change in your (or your property's) risk profile
5. to allow for a material change in the risk profile of a group of similar policy holders (or similar insured property) that will not be commercially sustainable for us under current policy terms.

If you do not agree to the alterations to the terms of your policy, you can cancel it (effective from the date of the proposed alteration). You can do this by notifying us by telephone or in writing, before the effective date of the proposed alterations. If you cancel on this basis, we will refund your unused premium.
